George Eliot's Life, Complete George Eliot, 2016-01-15 Chapter I In the foregoing introductory sketch I have endeavored to present the influences to which George Eliot was subjected in her youth and the environment in which she grew up. I am now able to begin the fulfilment of the promise on the titlepage that the life will be related in her own letters or rather in extracts from her own letters for no single letter is printed entire from the beginning to the end. I have not succeeded in obtaining any between 6th January 1836 and 18th August 1838 but from the latter date the correspondence becomes regular and I have arranged it as a continuous narrative with the names of the persons to whom the letters are addressed in the margin. The slight thread of narrative or explanation which I have written to elucidate the letters where necessary will hereafter occupy an inside margin so that the reader will see at a glance what is narrative and what is correspondence and will be troubled as little as possible with marks of quotation or changes of type. The following opening letter of the series to Miss Lewis describes a first visit to London with her brother. Sidenote Letter to Miss Lewis 18th Aug 1838 Let me tell you though that I was not at all delighted with the stir of the great Babel and the less so probably owing to the circumstances attending my visit thither.

*Scenes of Clerical Life, by George Eliot (Oxford World's Classics)* George Eliot, 2016-05-23

Scenes of Clerical Life is the title under which George Eliot's first published fictional work a collection of three short stories was released in book form it was the first of her works to be released under her famous pseudonym The stories were first published in Blackwood's Magazine over the course of the year 1857 initially anonymously before being released as a two volume set by Blackwood and Sons in January 1858 The three stories are set during the last twenty years of the eighteenth century and the first half of the nineteenth century over a fifty year period The stories take place in and around the fictional town of Milby in the English Midlands Each of the Scenes concerns a different Anglican clergyman but is not necessarily centred upon him Eliot examines among other things the effects of religious reform and the tension between the Established and the Dissenting Churches on the clergymen and their congregations and draws attention to various social issues such as poverty alcoholism and domestic violence At the age of 36 Marian or Mary Ann Evans was a renowned figure in Victorian intellectual circles having contributed numerous articles to The Westminster Review and translated into English influential theological works by Ludwig Feuerbach and Baruch Spinoza For her first foray into fiction she chose to adopt a nom de plume George Eliot Her reasons for so doing are complex While it was common for women to publish fiction under their own names lady novelists had a reputation with which Evans did not care to be associated In 1856 she had published an essay in the Westminster Review entitled Silly Novels by Lady Novelists which expounded her feelings on the subject Moreover the choice of a religious topic for one of the most famous agnostics in the country would have seemed ill advised The adoption of a pen name also served to obscure Evans somewhat dubious marital status she was openly living with the married George Henry Lewes It was largely due to the persuasion and influence of Lewes that the three Scenes first appeared in John Blackwood's Edinburgh Magazine He submitted the first story The Sad Fortunes of the Reverend Amos Barton on 6 November 1856 At first it appeared anonymously at Lewes insistence I am not at liberty to reveal the veil of anonymity even as regards social position Be pleased therefore to keep the whole secret Public and professional curiosity was not to be suppressed however and on 5 February 1857 the author's identity was revealed to Blackwood's Whatever may be the success of my stories I shall be resolute in preserving my incognito and accordingly I subscribe myself best and most sympathising of editors Yours very truly George Eliot Barton and Milly become acquainted with Countess Caroline Czerlaski When the Countess brother with whom she lives gets engaged to be married to her maid she leaves home in protest Barton and his wife accept the Countess into their home much to the disapproval of the congregation who assume her to be his mistress The Countess becomes a burden on the already stretched family accepting their hospitality and contributing little herself With Milly pregnant and ill the children's nurse convinces the Countess to leave Milly dies following the premature birth of her

baby who also dies and Barton is plunged into sadness at the loss Barton's parishioners who were so unsympathetic to him as their minister support him and his family in their grief There were men and women standing in that churchyard who had bandied vulgar jests about their pastor and who had lightly charged him with sin but now when they saw him following the coffin pale and haggard he was consecrated anew by his great sorrow and they looked at him with respectful pity
