*Savage Journey* Peter Richardson, 2023-04-25 A superbly crafted study of Hunter S Thompson s literary formation achievement and continuing relevance *Savage Journey* is a supremely crafted study of Hunter S Thompson s literary formation and achievement Focusing on Thompson s influences development and unique model of authorship *Savage Journey* argues that his literary formation was largely a San Francisco story During the 1960s Thompson rode with the Hell s Angels explored the San Francisco counterculture and met talented editors who shared his dissatisfaction with mainstream journalism Peter Richardson traces Thompson s transition during this time from New Journalist to cofounder of Gonzo journalism He also endorses Thompson s later claim that he was one of the best writers using the English language as both a musical instrument and a political weapon Although Thompson s political commentary was often hyperbolic Richardson shows that much of it was also prophetic Fifty years after the publication of *Fear and Loathing in Las Vegas* and more than a decade after his death Thompson s celebrity continues to obscure his literary achievement This book refocuses our understanding of that achievement by mapping Thompson s influences probing the development of his signature style and tracing the reception of his major works It concludes that Thompson was not only a gifted journalist satirist and media critic but also the most distinctive American voice in the second half of the twentieth century
