Everywhere You Go People Are The Same:

People Will Be People Nathan B. Grant,2022-11-03 I must admit I am a people watcher I notice that out of all the cities and countries that I ve been to people basically do the same things The way things are done may be slightly different but the outcome is the same I notice that wherever you are in this world people will strive very hard to get whatever they want whether it is legal or not In other words please be ever so watchful Out of all things one thing to remember with people wherever you may go or may be know this you can t treat all people alike but you can treat all people right **We Do This**

'Til We Free Us Mariame Kaba,2021-02-23 New York Times Bestseller Organizing is both science and art It is thinking through a vision a strategy and then figuring out who your targets are always being concerned about power always being concerned about how you re going to actually build power in order to be able to push your issues in order to be able to get the target to actually move in the way that you want to What if social transformation and liberation isn t about waiting for someone else to come along and save us What if ordinary people have the power to collectively free ourselves In this timely collection of essays and interviews Mariame Kaba reflects on the deep work of abolition and transformative political struggle With a foreword by Naomi Murakawa and chapters on seeking justice beyond the punishment system transforming how we deal with harm and accountability and finding hope in collective struggle for abolition Kaba s work is deeply rooted in the relentless belief that we can fundamentally change the world As Kaba writes Nothing that we do that is worthwhile is done alone Daily Youth Devotions Joel Wesseldyke,2004-12 A collection of stories of everyday life designed to help teens apply the Bible to their own lives *House of Commons Debates, Official Report* Canada.
