False Sun Recordings

Robert D. Denham

False Sun Recordings:

The False Sun Recordings James Wagner, 2003 Poetry At a time of extraordinary displacement and global confusion these insitently sane poems manage a remarkable interjection of viable realities of multiple twists turns and provisions of language s singular instrument syntax and the words which it puts in order Each turn here is a possibility an endlessly refracting multiplicity of instance Each word takes its own step as it must toward recognition Robert Creeley This is a book of tight compressed poems with a big heart behind them Juliana Spahr James Wagner lives in Syracuse New York THE FALSE SUN RECORDINGS is his first book *False Sun Recordings* , *The Customer Is Always Wrong* Jeff Martin, 2008-10-01 From mom and pop general stores to big box strip mall chains it is impossible to consider the American experience without thinking about the buying and selling retail culture the sales and the stockrooms the shift managers and the clock punchers *The Customer Is Always Wrong* is a tragicomic and all too revealing collection of essays by writers who have done their time behind the counter and lived to tell their tales Jim DeRogatis author of *Let It Blurt* for example describes hanging out with Al himself at Al Rocky s Music Store while Colson Whitehead explains how three summers at a Long Island ice cream store gave him a lifelong aversion to all things dessert like This book not only shines a light on the absurdities of retail culture but finds the delight in it as well Johnny Cash FAQ C. Eric Banister, 2014-08-01 FAQ Johnny Cash remains one of the most recognizable artists in the world Starting in 1956 he released an album every year until his death in 2003 In addition to these albums there were also some posthumous releases in the years after his death From rockabilly to country folk to comedy gospel to classical the prolific Cash touched them all His hit singles crossed over from country to pop as he transcended genres and became a superstar around the globe Cash skyrocketed from the beginning flying through the 60s until he was one of the country s biggest stars by the end of the decade Following his own muse through the 70s Cash slowly faded commercially until he nearly disappeared in the 80s Instead of giving up he made an incredible late career run in the 90s that took him into the new millennium along the way collaborating with various contemporary rock and pop artists His offstage problems often overshadowed the music and his addiction often takes center stage in the story pushing the music off the page But Johnny Cash FAQ celebrates the musical genius of Cash and takes a look at every album Cash released the stories behind the hits and how he sustained a fantastic nearly 50 year career Records Geological Survey of India, 1927 The Fur Record , 1939 *Poets on Paintings* Robert D.
