## **Equitation The Truth:**

**Equitation** Martin Diggle,1993      *The Truth about Horses* Andrew McLean,2003 Balancing new scientific research with his practical horse training experience author Andrew McLean debunks long standing myths about horses and presents a far reaching totally humane method of horse training He starts by recognizing vast differences between equine and human brains and mental processes He describes the traditional trainer 1 2s mistake of judging horses according to the standards of docile or good horse and bad tempered or mean horse The horse 1 2s brain cannot make abstract judgments about 1 2good 1 2 or 1 2bad 1 2 behavior but readily responds to conditioning by trainers who understand the equine brain the instincts that drive it and a horse 1 2s way of knowing the world The author emphasizes that by training a horse according to a set of consistent responses that coincide with equine instincts horse owners can avoid undesirable horse behavior He offers a training program and amplifies on it with enlightening case studies Here is must reading for every current and prospective horse owner and rider More than 300 color photos      **Zen and the Horse** Pamela J.G. Au,2003-03-07 This is a very interesting and intelligent little book the author takes a unique approach to teaching centered balanced riding using Eastern philosophy as a context for mastering the art of equitation The author writes with credible authority and conveys ideas and concepts clearly and vividly Most important the book delivers what it promises It does provide specific advice for equestrians hoping to achieve this zen state in their riding As reviewed by Writers Digest 2004 I think this is the first writing that actually describes what I feel when I ride my horses I have never wanted to compete just reach that place of unity which will be an ongoing practice with the horse for the rest of my life No hurry to get somewhere only connect while there Maybe someday you will put this great book into visual movement in a video You have really taken the mechanics out and replaced with emotion awareness with motivation to feel With great respect to our patient teacher the horse Sincerely Chris in OR A must for the serious rider This book stayed on target and was easy to keep up with Most Zen horse books make me want to gag after 5 minutes but this author has both of her feet on the ground and a lot to say Buy it you and your horse will both benefit Chuck Click Here to go the authors website and more on Zen and the Horse      Equitation Henry L. de Bussigny,1922

*Academic Equitation* General Decarpentry,2012-07-12 Originally written and published in 1949 Academic Equitation was considered by dressage experts to be the most important contribution to classical training in the twentieth century This book was intended as a preparation for international dressage competitions but is far more than this It discusses the subjects of academic equitation the riding master and the choice of horse before introducing the reader to the author s systematic program covering the very early training right up to the most advanced movements The appendix deals with lungeing work in hand long reins and pillar work General Decarpentry was not only a distinguished scholar of artistic equitation but also equally versed in putting the theories into practice He deals with the education of the young horse and the complications and details of advanced schooling with the hand of a master Although he claims that nothing in the book is his his training system

is based on the methods of D Aure Baucher and L Hotte the General s wisdom and deep knowledge are manifest throughout It was the General s great wish that traditional teachings on the art of equitation should not be lost to those who wished to study equitation In this most important work he has succeeded in presenting these teachings in such a way that allows both layman and expert to obtain a deeper insight into this fascinating subject

**The Sweetheart Horse** Natalie Keller Reinert,2022-10-18 Kayla Moore came to Ocala in search of Mr Right Horse that is But following her dreams to the Horse Capital of the World hasn t quite turned out the way she hoped No accolades no achievements and even her job farm sitting at a posh equestrian center is coming to an end with no prospects for the future When she tries grooming for a show jumping hopeful the last thing she needs is an insult from some handsome up and comer on a gorgeous horse Scratch that the last thing she needs is to share a house and a barn with him Kayla is thrilled when her farm sitting job gets an unexpected extension and she can t believe her luck when the owners offer her the ride on a new horse as partial payment Feather is exactly the kind of talented jumper she needs to make it to the next level But when they also present her with a house mate the attractive and arrogant Basil Han she realizes this sweetheart deal comes with serious strings Stick out six months with Basil in the house and concentrate on training her new horse Should be a cinch but it turns out Basil isn t going to be easy to ignore This elegant equestrian has a soft touch in the saddle that makes Kayla feel swoony and when it turns out he s harboring a strange secret she s too intrigued to stay on her side of the house

**The Sweetheart Horse** is a light hearted and fun loving enemies to lovers romp through Ocala s equestrian scene with some unexpected characters along the way The perfect read for beach days rainy evenings or when you just want to escape reality for a while

**Welfare Horse Sports** Lisa Ashton,2025-12-12 What if horse sports didn t just include welfare but were built around it In this timely and transformative book equine educator and welfare advocate Lisa Ashton offers an evidence based approach to the use of horses in sport She presents a compelling blueprint for integrating welfare within the very heart of equestrian practice Through a clear and actionable welfare map Ashton guides riders coaches and trainers who are ready to shift their mindsets and skill sets toward more ethical sustainable approaches Rather than treating welfare as an add on she introduces the concept of welfare horse sports a model where equine well being is foundational not optional Drawing on an intersectional and empowering approach Ashton emphasises that meaningful change doesn t require a title or a platform It starts with one equestrian one coach one rider one trainer bringing their unique voice influence and compassion to a shared

mission a better life for sport horses Welfare Horse Sports is not just a call to action It s a roadmap for a more ethical and informed equestrian future For anyone ready to earn public trust elevate standards and future proof horse sports this book is your starting point
