

# A person I Admire

The person I admire the most is my father. He is hardworking, honest, and always there for our family. My father has taught me so many valuable lessons that help me every day. He is a great role model because he is responsible, caring, and always puts his family first.

My father works very hard to provide for us. He has a job that requires long hours, but he still finds time to spend with us. On weekends, he enjoys playing games with me and my siblings, or we go on small trips together. I love the way he balances his work and family life. Another thing I admire about my father is his love for reading. He always has a book in his hand and loves learning new things. Whenever I ask him questions, he gives me thoughtful and helpful answers.

My father is also always ready to help others. Whether it's a friend who needs assistance or someone who is struggling, he is quick to offer a helping hand. He encourages me to do the same and show kindness to everyone.

I hope to be just like my father when I grow up—wise, strong, and kind. He inspires me every day to work hard, respect others, and never give up on my dreams.
