

# Executive Protection Programs and Training

Executives and high-profile individuals face unique security risks. Through our series of courses, we train executive protection personnel to shield key executives effectively and safely from potential threats.

## Executive Protection Training: Baseline Course

**Length:** 5 days

**Delivery:** In-person, interactive simulations, and classroom discussion

**Audience:** Executive protection professionals

In this module, we create a broad foundation of concepts and skills to prepare individuals to serve as executive protection safely and effectively. Participants learn and conduct the following:

- Mission planning
- Advance detail activities
- Protective rings of security
- Motorcade operations
- Firearms training
- Medical training

## Executive Protection Training: Sustainment

**Length:** 3 days

**Delivery:** In-person, interactive simulations, and classroom discussion

**Audience:** Executive protection professionals

After participants complete the Baseline Course, this training builds upon those skills to improve and increase the participants' preparedness. We tailor the Sustainment module to meet the needs and abilities of the participants and the organization. It can include:

- Tactical movement, including utilizing distance, angles, cover, and concealment
- Critical response skills, such as radio use and effective management of an emergency until first responders arrive
- Esoteric aspects of threat response, such as the importance of holding areas of strategic value and advanced response planning
- Training to improve weaknesses identified from previous sustainment training
