## English Lakes:

**The English Lakes** Frederick Gaspard Brabant,1927      **Literary associations of the English lakes** Hardwicke Drummond Rawnsley,1901      **The English Lakes** Frank Singleton,1954      **Guide to the Lakes** William Wordsworth,2023-01-20 William Wordsworth's Guide to the Lakes gives a first hand account of his feelings about the unique countryside that was the source of his inspiration He addresses concerns that are relevant today such as how the growing number of visitors and the money they might bring would affect such a small and vulnerable landscape It is now understood that Wordsworth's notion of the Lake District as a sort of national property in which every man has a right and interest who has an eye to perceive and a heart to enjoy expressed in his Guide gave a rationale for the foundation of the National Trust in 1895 and the establishment of the Lake District National Park in 1951 Furthermore the 2017 nomination document for the Lake District as a World Heritage site quotes this phrase in recognition of Wordsworth's contribution to the idea that landscape has a value and that everyone has a right to appreciate and enjoy it We can now see how Wordsworth's Guide has had a far reaching influence on the modern concept of legally protected landscape First published in 1810 and repeatedly revised by its author over the ensuing twenty five years William Wordsworth's Guide to the Lakes has long been considered a crucial text for scholars of Romantic era aesthetics ecology travel writing and tourism      **Tourists' guide to the English lake district** Henry Irwin Jenkinson,1879      *The Book of British Topography. A Classified Catalogue of the Topographical Works in the Library of the British Museum Relating to Great Britain and Ireland* John Parker Anderson,2025-12-08 Reprint of the original first published in 1881 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage      **Handbook to the English Lakes** ,1852      Black's Picturesque Guide to the English Lakes John Phillips,Adam and Charles Black (Firm),1853      *The English Lakes. [With a Map].* LONDON AND NORTH-WESTERN RAILWAY.,1922      **The Chautauquan** ,1906      A Flora of the English Lake District John Gilbert Baker,1885      *The Naturalist* ,1909      **Catalogue of Books Exclusive of Prose Fiction in the Central Lending Library** Leeds (England). Public Libraries, Art Gallery and Museum,1907      *The United States Catalog* ,1903      Green Victorians Vicky Albritton,Fredrik Albritton Jonsson,2016-03-07 From Henry David Thoreau to Bill McKibben critics and philosophers have sought to demonstrate how a life without constant growth might still be rich and satisfying Yet one crucial episode in the history of sustainability has been largely forgotten Green Victorians recovers the story of a small circle of men and women led by political economist and art critic John Ruskin Green Victorians explores how Ruskin's most enthusiastic followers turned his theory into practice in a series of ambitious local projects ranging from painting hand weaving and wood working to gardening archaeology story telling and children's education This is a lively yet unsettling story for while those in Ruskin's experimental community established a thriving handicraft industry and protected the Lake District from over development they paid a price Richly

illustrated Green Victorians breaks new ground by connecting the ideas and practices of Ruskin's utopian community to the problems of ethical consumption then and now      **The English Lakes** Rob Talbot, Robin Whiteman, 2000 Beautiful and unspoiled Britain's Lake District is the crown jewel in a land filled with scenic treasures The variety of landscapes found in a mere thirty five square miles simply takes the breath away A spectacular photographic display captures the splendor and drama of these panoramas filled with greenery and rolling hills that hug flowing waters Along with the images a revealing text describes the history geography traditions and literary connections of this exceptional region      **A Picturesque Tour of the English Lakes, Containing a Description of the Most Romantic Scenery ...** English Lakes, 1821      *Appendix to the Assembly Journal* Wisconsin, 1907      **British Medical Journal** , 1906      *Harper's New Monthly Magazine* , 1881
