11 Now I m on my way becoming The Woman Of God *Debt Reduction* Tom Copland,2022-08-30 The most significant financial problem that people face today is the accumulation of debt now gravely aggravated by inflation and high interest rates God s word the Bible has incredible wisdom on finances but most people including most Christians only understand tithing which represents about 3% of the 2300 references to money and material things So there s 97% of the Scriptures that most people need to learn This newest book by Tom Copland *Debt Reduction Biblical Principles to Deal with Inflation High Interest Rates and Eliminating Debt* follows on the heels of his first successful books *Financial Moments Biblical Principles That Will Transform How You Manage Money and Financial Management God s Way* that taught money management according to God s instructions in the Bible using in depth biblical financial studies with numerous real life case studies This new book focuses on the issue of debt its destructive power and provides God s wisdom of how to get out of debt with real life practical applications Learning and applying the biblical financial principles that Tom presents here will equip the readers with the knowledge and wisdom needed to reduce and eventually totally eliminate debt including dealing with inflation and high interest rates and experiencing God s peace in the area of finances **The Life of Mahomet** Samuel Green (Baptist minister, Lion St. Chapel, Walworth.),1877 **God's Quantum Vortex** Jim Walker,2015-09-24 The story evolves from the personal experiences of the writer from his deep forty years research and discoveries of quantum cone vortex Once into awareness he reveals the techniques of connecting and triggering the act of God events He formulates the mysteries of self fate programming He explains how the government religion finance and science are interconnected for the first time in history His research deep dives into the Bible yoga meditation wave particle quantum physics and into occult the metaphysics He is not just theorizing about life events he is proactively changing the events in biblical proportions He becomes the miracle creator by thought and by action the trigger man who can only relate to the higher dimensions and to cosmic intelligence The formulas he writes may seem similar to previous theoretical physicists but they are his own concept given the examples of his work and e mail prior to the God s Particle Boson announcement by Peter Higgs on July 4 2012 The quantum cone vortex diagram and its connection to yin and yang with annihilation and creation related to cosmic spiral sequence of four sixes may seem absurd to earths fourth dimensional thinkers but it is backed by facts by the author His prediction of the next flood is backed by errors in time measured by Mayans and Nostradamus Once a person is elevated to the vortex in quantum cone with zero weight gravity and when time stops in quantum reality then he she will able to be awarded with all possibilities to create or destroy The writer imitates the out of the box thinking of God but he is not comparing himself to cosmic intelligence He just uses the quantum energy in form of dark and light energyhe calls them Satan and God respectively for convenience The examples are powerful and convincing The reader should not just observe the authors human encounters to get to quick conclusions It is a manual of how to think without fear Once the fear is eliminated the mind is open to deep into subconsciousness and to build the awareness where all possibilities are unrestricted
