and purpose for the restoration of His creation to God's original plan for us. This is not a quick read. The unique writing style and perspectives will stop you and create a path of self-discovery into the foundation of truth about how God sees you and how God wants you to see you. He is the Board Chair of several companies with extensive multicultural high technology marketing and business development experience. Jay is the winner of several awards, patents with notable training from the Harvard Business School in Executive Leadership. He is a much sought after speaker and thinker traveling extensively as the Lord orders his path. **A Practical Bible Temperance Commentary** Alexander Stewart (Aberdeen clergyman), 1800

Sermons for the people, a series of plain sermons for the Christian year, by various contributors, 1886 *How to Succeed Where Strong Men Fail* Mark Johnson, 2000-03-07. Within us God has placed the need to find acceptance, fulfillment, success, attachment, and worthwhile reward in life in order to be truly happy. In this way He gets us to turn to Him and discover the only lasting satisfaction this life offers. Often our bondage to fear and shame can make up barriers that keep us from turning to God for help. Dr. Johnson calls this bondage the Samson Complex and shows us its underlying causes. Each chapter point is reinforced with helpful charts and acronyms, thought-provoking questions, and activities to help apply these Biblical principles. The Samson Lest That's Included identifies what happens if we try to meet our own spiritual needs without God's help. *God and Creation* Robert Reid Howison, 1883
