Father Divine Religious Leader:

African-American Religious Leaders Nathan Aaseng,2014-05-14 Religion and spirituality have been key elements of African American life since the earliest days of the slave trade

American Religious Leaders Timothy L. Hall,2014-05-14 Profiles the lives and achievements of more than 270 spiritual leaders arranged alphabetically who made major contributions to the history of American religious life

African American History Day by Day Karen Juanita Carrillo,2012-08-22 The proof of any group's importance to history is in the detail a fact made plain by this informative book's day by day documentation of the impact of African Americans on life in the United States One of the easiest ways to grasp any aspect of history is to look at it as a continuum *African American History Day by Day A Reference Guide to Events* provides just such an opportunity Organized in the form of a calendar this book allows readers to see the dates of famous births deaths and events that have affected the lives of African Americans and by extension of America as a whole Each day features an entry with information about an important event that occurred on that date Background on the highlighted event is provided along with a link to at least one primary source document and references to books and websites that can provide more information While there are other calendars of African American history this one is set apart by its level of academic detail It is not only a calendar but also an easy to use reference and learning tool

The New Encyclopedia of American Scandal George C. Kohn,2001 Covering people and events from the 1630s to the present day this reference offers 455 entries on such topics as dirty politics white collar scams botched cover ups tawdry love affairs and despicable acts of corruption

100 World Leaders Who Left Their Mark WD Palmer,2022-02-09 The lives of 100 historical and contemporary world leaders documenting the impact that they had on the world

Living in the Future Victoria W. Wolcott,2022-04-21 Living in the Future reveals the unexplored impact of utopian thought on the major figures of the Civil Rights Movement Utopian thinking is often dismissed as unrealistic overly idealized and flat out impractical in short wholly divorced from the urgent conditions of daily life This is perhaps especially true when the utopian ideal in question is reforming and repairing the United States bitter history of racial injustice But as Victoria W Wolcott provocatively argues utopianism is actually the foundation of a rich and visionary worldview one that specifically inspired the major figures of the Civil Rights Movement in ways that haven't yet been fully understood or appreciated Wolcott makes clear that the idealism and pragmatism of the Civil Rights Movement were grounded in nothing less than an intensely utopian yearning Key figures of the time from Martin Luther King Jr and Pauli Murray to Father Divine and Howard Thurman all shared a belief in a radical pacificism that was both specifically utopian and deeply engaged in changing the current conditions of the existing world Living in the Future recasts the various strains of mid twentieth century civil rights activism in a utopian light revealing the power of dreaming in a profound and concrete fashion one that can be emulated in other times that are desperate for change like today

Supreme Court Appellate Division Third Dept. Vol. 2325 ,1935 *Baltimore and Ohio Employes Magazine* ,1939 *God, Harlem U.S.A.* Jill

Watts,1992 Unearthing rare scarce and previously unknown original sources Watts spells out a comprehensive even definitive account of Father s controversial life and charismatic ministry In addition to the fascinating biography this is solid social and intellectual history as well American Academy of Religion
