Fearless Parenting:

Fearless Parenting Sarah Blount, 2019 GREATER IS HE THAT LIVES IN YOUR CHILD Move from fear based parenting to faith based parenting so that you can fearlessly raise your children to pursue God and to be light in the darkness around them Is fear preventing you from releasing your children to fulfill God s purpose No one can deny that raising children in our day and age is a scary proposition One look at the statistics regarding abortion drug addiction gender confusion suicide school shootings and more makes it clear that sin and darkness abound But we must not let fear and our resulting tendency to shelter our children prevent them from fulfilling their God given destiny to be salt light and love in the world Fearless Parenting will help parents do the following Understand their child s God given purpose Learn ways to teach their children about God s plans for their lives Fearlessly release their children so they can fulfill their most important assignment ever to be salt light and love to the hurting world around them Psalm 127 4 tells us Like arrows in the hand of a warrior are the children of one s youth It doesn t say like arrows in a quiver because arrows aren t meant to remain inactive they are meant to be aimed at a target and released to hit their mark If our children have confessed Jesus as Lord and Savior of their lives then we must believe that greater is He that is in them than the evil that is in the world and fearlessly release them to play their part in defeating it It s time for Christian parents to start believing what God s Word says about our children greater is He that lives in them than he that is in the world Also Available in Spanish ISBN 13 978 1 62999 275 4 E Book ISBN 978 1 62999 2761
