Raise The Dead:

How to Raise the Dead Tyler Johnson,2011-08-18 In this compendium on the topic of resurrection the founder of the Dead Raising Team unveils the reality of what was accomplished on the cross and how you can partake in its power How to be one that raises dead bodies to life The commonality of dead raising in history How your righteousness isn't determined by what you do How miracles can become common in your life The extent to which Jesus is obsessively in love with you How good God really is How God didn't kill Ananias and Sapphira How to get a passion for Jesus How To Overcome Debt **Faith to Raise the Dead** Michael C. King,2017-04-09 When Jesus walked the earth he taught his disciples many things but he only commanded them to do a few Heal the sick raise the dead cleanse the lepers cast out demons Matthew 10:8a Raising the dead is a pivotal part of Christianity without resurrection it wouldn't exist The Bible says in 1 Corinthians 15:20 that But in fact Christ has been raised from the dead He is the first of a great harvest of all who have died New Living Translation This book answers the challenge to those commands and to raise up an army of believers followers of Jesus who are ready to reap the great harvest of all who have died Through scripture it lays a groundwork of understanding for this miracle then follow up with practical steps and hard earned wisdom God doesn't need someone special to raise the dead He needs someone willing And if this is you then join the journey to reveal Faith to Raise the Dead In this book we will cover The Goodness of God Power and Authority Faith and Sovereignty Historical and Present Day Resurrections When to Stop Praying The Price of Failure When Prophecies Fail Us Intimacy versus Occult Resurrection Common Questions And Much More *Resurrection Power to Raise the Dead - Revised Edition* Frequency Revelator,2019-11-28 In this Holy Ghost breathed Apostle Frequency Revelator unveils the divine revelation of resurrection power which the key force behind the resurrection of people from the dead This second book on raising the dead exhaustively examines the subject of raising the dead in depth expounding more on the resurrection power the resurrection anointing and how these can be effectively administered on the death scene to bring about a resurrection It brims with provocative insights that provide a unique and ground breaking entry into the phenomenon of raising the dead which for ages have remained an implausible inexplicable and unfathomable subject The theologically challenging deeply provoking and incredibly inspiring hard to get revelations encapsulated in this book are set to revolutionise the course of your life for ever The depth and density of Throne Room revelations it contains requires the reader to make a conscientious effort to digest its morsels hence it is dangerous to casual Christianity This is such a provocative kind of book that will cause you to explode in the demonstration of signs and wonders that will ruffle the feathers of those comfortable with the status quo and dazzle the minds of those who have pitched their tent in the valley of mediocrity and are sailing their boats through the shallow streams of spiritual understanding Immediately after you read it you will feel an irresistibly strong edge to invade death infested territories such as hospitals mortuaries psychic prisons rehabilitation centres and people's homes to raise the dead It will launch you into an arena of divine exploits whereby you will raise the

dead as if you are waking up people from their slumber Presiding over a global network of apostolic and prophetic visions in the capacity of the President of Christ Resurrection Movement CRM the Director of Global School of Resurrection GSR Senior Pastor of Resurrection Embassy RE the founder of Resurrection TV The Dead Raising Channel and the pioneer of the renowned Global School of Signs and Wonders GSSW Apostle Frequency Revelator unpacks a plethora of rare but provocative revelations that the dead are raised in this Kairos moment as God is launching men and women into deeper and unexplored territories of the Glory Realm This book is a wake up call for radical revivalists and revolutionaries to rise up on this epic transition and take their rightful place on earth by curtailing the mass rampage instigated by the devil through alarming deaths and eradicating the syndrome of death that has gripped the masses for ages On that note congratulations for joining the bandwagon of raising the dead and welcome to the world whereby it s naturally supernatural to raise the dead
