

the storytelling framework

1 Context

What is the situation?
When and where did it take place?
What is needed to be accomplished?
Who is the character and why do we care?

3 Choice

What options were available?
Were there constraints?
What choice of action was made?

2 Challenge

What was difficult or challenging?
What was at stake or at risk?
What if the problem is not solved?

4 Result

What happened as a result of the choice?
What was the value or relevance of the result?
Will this impact future action?
