# Teaching the Educable Mentally Retarded

## *PRACTICAL METHODS*

This new Third Edition has been enlarged to cover the latest problems and methods of teaching the retarded from the pre-elementary stage through the high school level, including on-the-job programs and the vocational retraining program. The material is presented in an informal, non-technical manner for easy reading and understanding. Definitions, suggestions, examples, and procedures detailed in the first two editions and in actual classrooms and workshop situations and have been found helpful for both teacher and pupils in developing instruction, and promoting personal dignity and success.
