Governing Latin America

Ali Farazmand

Governing Latin America:

Governing Latin America Joe Foweraker, Todd Landman, Neil Harvey, 2003-10-24 *Governing Latin America* is a concise yet comprehensive introduction to the contemporary politics of the region Focusing on the enduring difficulties of achieving democratic stability it explores the conduct of government through classic concepts like authority accountability and participation The book brings Latin America into mainstream comparative politics The book combines regional and international perspectives into an original synthesis The book is organized around comparative topics not particular countries The focus is on government and the difficulties of achieving democratic stability The approach is thematic and uses classic concepts of political science

Politics and Economic Change in Latin America Charles W. Anderson, 1967 Study of the role of political leadership in the stimulation of economic development in Latin America covers government decision making in respect of economic policy and examines developmental aspirations in times of war economic recession and political problems

Metropolitan Governance in Latin America Alejandra Trejo Nieto, Jose L. Niño Amézquita, 2021-11-29 This book represents a powerful analysis of the challenges of metropolitan governance in all its messiness and complexity It examines Latin American metropolitan governance by focusing on the issue of public service provision and comparatively examining five of the largest and most complex urban agglomerations in the region Buenos Aires Bogota Lima Mexico City and Santiago The volume identifies and discusses the most pressing challenges associated with metropolitan coordination and the coverage quality and financial sustainability of service delivery It also reveals a number of spatial inequalities associated with inadequate provision which may perpetuate poverty and other inequalities *Metropolitan Governance in Latin America* will be valuable reading for advanced students researchers and policymakers tackling themes of urban planning spatial inequality public service provision and Latin American urban development

Environmental Governance in Latin America Fabio De Castro, Barbara Hogenboom, Michiel Baud, 2016-03-24 This book is open access under a CC BY license The multiple purposes of nature livelihood for communities revenues for states commodities for companies and biodiversity for conservationists have turned environmental governance in Latin America into a highly contested arena In such a resource rich region unequal power relations conflicting priorities and trade offs among multiple goals have led to a myriad of contrasting initiatives that are reshaping social relations and rural territories This edited collection addresses these tensions by unpacking environmental governance as a complex process of formulating and contesting values procedures and practices shaping the access control and use of natural resources Contributors from various fields address the challenges limitations and possibilities for a more sustainable equal and fair development In this book environmental governance is seen as an overarching concept defining the dynamic and multi layered repertoire of society nature interactions where images of nature and discourses on the use of natural resources are mediated by contextual processes at multiple scales

Spatial Governance and Planning in Latin America Juan E. Cabrera, Francesca Blanc, Giancarlo Cotella, 2025-10-31 This book is the

first to provide an in depth discussion of spatial governance and planning systems SGPSs in Latin America with analysis and comparison across 10 different countries Argentina Bolivia Brazil Chile Colombia Cuba Ecuador Mexico Peru and Uruguay The primary function of SPGSs is to empower the public sector to exert control over spatial development Originally understood mainly through a legal paradigm it is now acknowledged that a range of informal institutions also play a role responding to societal and community needs that the state or market is unable to address This collection teases out these contrasting influences highlighting the role of indigenous culture in certain contexts and the increase of participatory processes in others The book features not only individual country case studies but also chapters discussing the broader themes as well as how the Latin American context compares to the European one A timely contribution to this evolving topic the book will appeal to students and scholars in the fields of planning urban and regional studies public policy and human geography

Government and Politics in Latin America Harold Eugene Davis,1958 *Government and Politics in Latin America* Rosendo Adolfo Gomez,1960

Forgotten Continent: The Battle for Latin America's Soul Michael Reid,2010-08-18 The bestselling primer on the social political and economic challenges facing Central and South America by The Economist editor and author of *Brazil* Latin America has often been condemned to failure Neither poor enough to evoke Africa s moral crusade nor as explosively booming as India and China it has largely been overlooked by the West Yet this vast continent home to half a billion people the world s largest reserves of arable land and 8.5 percent of global oil is busily transforming its political and economic landscape This book argues that rather than failing the test Latin America s efforts to build fairer and more prosperous societies make it one of the world s most vigorous laboratories for capitalist democracy In many countries including Brazil Chile and Mexico democratic leaders are laying the foundations for faster economic growth and more inclusive politics as well as tackling deep rooted problems of poverty inequality and social injustice They face a new challenge from Hugo Ch vez s oil fueled populism and much is at stake Failure will increase the flow of drugs and illegal immigrants to the United States and Europe jeopardize stability in a region rich in oil and other strategic commodities and threaten some of the world s most majestic natural environments Drawing on Michael Reid s many years of reporting from inside Latin America s cities presidential palaces and shantytowns the book provides a vivid immediate and informed account of a dynamic continent and its struggle to compete in a globalized world No one who seriously aspires to discuss Latin American politics economics and culture should go without reading *Forgotten Continent* National Interest

Handbook of Central American Governance Diego Sanchez-Ancochea,Salvador Martí i Puig,2013-12-17 Central America constitutes a fascinating case study of the challenges opportunities and characteristics of the process of transformation in today s global economy Comprised of a politically diverse range of societies this region has long been of interest to students of economic development and political change The *Handbook of Central American Governance* aims to describe and explain the manifold processes that are taking place in Central America that are altering patterns of social political and economic governance with

particular focus on the impact of globalization and democratization Containing sections on topics such as state and democracy key political and social actors inequality and social policy and international relations in addition to in depth studies on five key countries Costa Rica Nicaragua El Salvador Honduras and Guatemala this text is composed of contributions from some of the leading scholars in the field No other single volume studies the current characteristics of the region from a political economic and social perspective or reviews recent research in such detail As such this handbook is of value to academics students and researchers as well as to policy makers and those with an interest in governance and political processes

Challenges to Governance in Latin America and the Pacific Rim, 1999 Governing America Robert Sherrill, 1978 Examines political processes and issues that affect the future of every United States citizen
