LEGACY POETRY PLANET Group of Poets,2019-10-06 Lines A Writer s Legacy Lines such a simple word Yet with such a profound meaning Profound because different people have different connotations of this word It can be anything in a person s imagination Like the borderline between the sea and the sky The outline of stars in the canopy of clouds The lining of the moon s glow from above It may be some structure The stanza completing a poet s verse The hues shading a painter s sketch A road toward someone s journey Lines have some beginnings and some endings some starting and some finishing thread in the tapestry of life Lines I think of it in terms of melody of a symphony of harmony that s the line of thought of a writer I also think of it as a pathway an alley that allows me to travel into a thousand dreams Life is a journey travel a tour a destiny The lines that we frequently walk on fall on stand on are the ones we most cherish and treasure much
