The Economic Consequences of Mr. Churchill John Maynard Keynes,1925     The Economic Consequences of Mr Churchill John Maynard Keynes,1925     The Economic Consequences of Mr. Churchill [by] John Maynard Keynes John Maynard Keynes,1925     **The Economic Consequences of Mr Churchill** keynes,1925     **The Economic Consequences of Mr. Churchill** Joseph L. Codali,1990     **A Wider View of John Maynard Keynes** , Joseph R. Cammarosano,2016-05-12 Most works on John Maynard Keynes deal with his General Theory of Employment Interest and Money and his theory of unemployment Much less well known are his publications on money finance and international trade This book fills that void by providing an analysis of Keynes works from Indian Currency and Finance to The Proposal for a Currency Union It seeks to show that his concerns extended beyond his magnum opus to include the monetary and financial concerns of Great Britain and the world at large     The Consequences of Mr. Keynes James M. Buchanan,Richard E. Wagner,John Burton,1978     *Essays in Persuasion* J. Keynes,2016-04-30 This reissue of the authoritative Royal Economic Society edition of Essays in Persuasion features a new introduction by Donald Moggridge which discusses the significance of this definitive work The essays in this volume show Keynes attempts to influence the course of events by public persuasion over the period of 1919 40     **John Maynard Keynes** , Joseph R. Cammarosano,2013-12-18 Over the course of his professional life John Maynard Keynes altered his views from free trade in the classical tradition to restricted trade At the end of his career his position on the issue was still not categorically resolved even though the evidence seems to suggest that he moved closer to a system of managed trade In that model nations would not leave their foreign trade interests open to the vagaries of the free market but rather exercise some degree of control over them just as they would their domestic economies Nevertheless there is no general agreement among economists as to whether Keynes ended his career in the camp of the free traders or aligned himself with the protectionists John Maynard Keynes Free Trader or Protectionist seeks an answer to this question by analyzing Keynes own views on this issue as stated in his major publications letters speeches testimony before government bodies newspaper articles participation in conferences and other sources Through this detailed review of what Keynes himself had to say on the issue as opposed to what others have alleged this book strives to make a significant contribution to the resolution of this issue     **The Saturday Review of Politics, Literature, Science and Art** ,1912     Annals of the American Academy of Political and Social Science ,1926     **The Labour Monthly** ,1925 Includes section Book reviews     Liberal year book ,1930     **The Liberal Yearbook** ,1930     *The New Statesman* ,1924

**Reader's Guide to Periodical Literature Supplement** ,1927     *The Currency of Politics* Stefan Eich,2023-08-22 In the wake of the 2008 financial crisis critical attention has shifted from the economy to the most fundamental feature of all market economies money Yet despite the centrality of political struggles over money it remains difficult to articulate its democratic possibilities and limits *The Currency of Politics* takes readers from ancient Greece to today to provide an

intellectual history of money drawing on the insights of key political philosophers to show how money is not just a medium of exchange but also a central institution of political rule Money appears to be beyond the reach of democratic politics but this appearance like so much about money is deceptive Even when the politics of money is impossible to ignore its proper democratic role can be difficult to discern
