investing energy in robust root systems rather than just annual growth perennial food plants endure year after year pointing the way to a more resilient future In Living Roots a passionate group of experts from wide ranging backgrounds and lived experience come together to explore the promise of perennial foods In this book you ll hear from Indigenous scientists and community leaders who are working to restore buffalo prairies and traditions of berry gathering You ll also hear from urban visionaries planting food forests Farmers planting fruit and nut trees between their crops and hedgerows at the edges of their fields Ranchers learning to graze their livestock in patterns that mimic the behavior of native herbivores to steward healthier grasslands And you ll hear from scientists and farmers who are developing perennial grains from sorghum to silphium These efforts are wildly diverse much like a healthy forest or prairie We will need each of them and the power of perennials to protect the planet we all share Living Roots is a vital introduction to this burgeoning movement and an invaluable resource for sustainable farming advocates including anyone who cares about the future of food

Appetites
Anthony Bourdain, Laurie Woolever, 2016-10-25

Written with the no holds barred ethos of his beloved series No Reservations and Parts Unknown the celebrity chef and culinary explorer s first cookbook in more than ten years a collection of recipes for the home cook Anthony Bourdain is a man of many appetites And for many years first as a chef later as a world traveling chronicler of food and culture on his CNN series Parts Unknown he has made a profession of understanding the appetites of others These days however if he s cooking it s for family and friends Appetites his first cookbook in more than ten years boils down forty plus years of professional cooking and globe trotting to a tight repertoire of personal favorites dishes that everyone should at least in Mr Bourdain s opinion know how to cook Once the supposed bad boy of cooking Mr Bourdain has in recent years become the father of a little girl a role he has embraced with enthusiasm After years of traveling more than 200 days a year he now enjoys entertaining at home Years of prep lists and the hyper organization necessary for a restaurant kitchen however have caused him in his words to have morphed into a psychotic anally retentive bad tempered Ina Garten The result is a home cooking home entertaining cookbook like no other with personal favorites from his own kitchen and from his travels translated into an effective battle plan that will help you terrify your guests with your breathtaking efficiency
