Gnostic Of Hours Keys To Inner Wisdom:

A Gnostic Book of Hours June Singer,1992 **A Dictionary of Gnosticism** Andrew Phillip Smith,2014-03-17 A Dictionary of Gnosticism is a scholarly yet accessible guide that covers the people mythology movements scripture and technical terms related to this pre Christian Western religion It contains nearly 1700 entries from Achiaram an angel in the Secret Book of John to Zostrianos a third century Gnostic text and is a reliable reference for the Nag Hammadi library and other Gnostic texts An introduction explains who the Gnostics were and provides a whirlwind tour through the history of this captivating movement **Gnosticism** Stephan A. Hoeller,2002-07-01 Gnosticism developed alongside Judeo Christianity over two thousand years ago but with an important difference It emphasizes not faith but direct perception of God Gnosticism being derived from the Greek word gnosis meaning knowledge Given the controversial premise that one can know God directly the history of Gnosticism is an unfolding drama of passion political intrigue martyrdom and mystery Dr Hoeller traces this fascinating story throughout time and shows how Gnosticism has inspired such great thinkers as Voltaire Blake Yeats Hesse Melville and Jung **The Essence of the Gnostics** Bernard Simon,2005-03-01 For what is it that the All lacked if not the knowledge of the Father Gnostic text from the Gospel of Truth Long before there was a system of belief called Gnosticism there were those who reached for a special intimate knowledge of God and His mysterious ways The possession of such knowledge they believed would bring salvation from suffering All religious traditions acknowledged that the world is imperfect Where they differ is in the explanations they offer for this imperfection and in what they suggest might be done about it While many religionists hold that humans are to be blamed for these imperfections the Gnostics believed that the world is flawed because it was created in a flawed manner thereby implicating the creator Such a perspective was regarded as blasphemous by fellow Christians at the dawn of the new religion and led to the sect s persecution Equally concerning were the Gnostics liberal views regarding sex the role of women and toleration of other faiths In *The Essence of the Gnostics* Bernard Simon offers a fascinating insight into this ancient and yet in many ways surprisingly contemporary faith and explores the reasons for its current renaissance **The Secret History of the Gnostics** Andrew Phillip Smith,2015-11-24 Learn more about the myths practices history and recent resurgence of Gnosticism as a Gnostic scholar seeks to answer why this Christian mystical movement has inspired the likes of Dan Brown and Philip Pullman *The Secret History of the Gnostics* offers long awaited illumination on the mystical movement that teaches gnosis knowledge of God as opposed to unquestioning faith Acclaimed author Andrew Phillip Smith delves into the myths and practices of this ancient movement exploring its popularity during 2nd century AD its subsequent decline under the weight of orthodoxy in the Church and its present day resurgence Gnosticism has travelled a fascinating path from the Manichaeans in Modern Persia between the 3rd and 7th centuries AD to the triumphs and tragedies of the Cathars in Southern Europe between the 12th and 14th centuries to finally today s Mandaeans in Iraq However as the author points out the revival of Gnosticism extends

further than these narrow sects offering inspiration to a legion of literary figures including Dan Brown and Philip Pullman Gnosticism's emphasis on personal over organized religion in keeping with the doctrine of the early Christian era during which it thrived has found particular resonance with today's multicultural world In addition to discussing the Gnostic gospels and the sect's practical beliefs and customs *The Secret History of the Gnostics* is also in effect a manifesto an appeal to those inspired by or drawn to the Gnostic faith not to forget its origins **The Gnostics** Andrew Phillip Smith,2012-01-01 According to the ancient Gnostics the early Christians who wrote such controversial texts as the recently discovered Gospel of Judas we are all capable of gnosis or direct knowledge of the true reality that lies behind the material world Andrew Phillip Smith author of respected works on the lost sayings of Jesus the Gospel of Philip and other Gnostic subjects now offers a highly accessible layman's introduction to this long suppressed philosophy that offers an intriguing alternative to accepted Christian beliefs With references to *The Da Vinci Code* *The Matrix* and other fictions inspired by the Gnostic worldview this is an eye opening and possibly life changing book meant to revive forgotten traditions and perhaps even allow readers to experience gnosis themselves [The Allure of Gnosticism](#) Robert Alan Segal,1995 Gnosticism or Gnosis is far more than an ancient religious movement with Christian Jewish and pagan followers It is a living presence today in many religions and also completely outside formal religion *The Allure of Gnosticism* is a collection of 16 outstanding essays illuminating Gnosticism in its relation to such issues as Jungian thought the nature of evil the place of the feminine communism and fascism existentialism Christian scriptures Kafka and Buddhism **The Living Church** ,1993 *Hidden Wisdom* Richard Smoley,Jay Kinney,1999 In *Hidden Wisdom* Richard Smoley and Jay Kinney guide you through the tremendous heritage of the mystical teachings of the West *Hidden Wisdom* describes and explores teachings ranging from Kabbalah Gnosticism and Sufism to shamanism the Gurdjieff Work Neopaganism and mystical Christianity Smoley and Kinney present the history and ideas strengths and weaknesses of each tradition as well as provide a wealth of resources for future study **BOOK JACKET** Title Summary field provided by Blackwell North America Inc All Rights Reserved *Exceptional Human Experience* ,1996 [SoulTypes](#) Robert Norton,Richard Southern,2004-03-19 We are all wired for God but our needs inclinations and personalities are all different Using the metaphor of spiritual DNA *SoulTypes* will help you assess your own inborn qualities and find a spiritual path that will support your quest for a richer fuller more integrated life If you consider yourself spiritual but not religious *SoulTypes* will help you discover just what works for you With its inventory and assessment to guide you to discover and interpret your spiritual type *SoulTypes* helps you in answering the most profound questions Who am I What is my authentic identity What's important to me What are my values my gifts my passions Why am I here What is my purpose or mission in life Where am I going What is my vision of my future **The Gifts Of Suffering** Polly Young Eisendrath,1996-06-05 A noted Jungian psychotherapist tells inspiring stories of individuals who faced tremendous hardships yet found renewed creativity and compassion as a result In these lives the author finds patterns that illustrate not only basic

Jungian principles but also the teachings of the ancient Buddhist tradition which was developed to deal with suffering in the world
