It isn't just a quaint religious idea or an obscure theological concept. It is about a whole new way of seeing the world and your place in it. Tony Evans' legacy work [The Kingdom Agenda](#) offers a fresh and powerful vision that will help you think differently about your life, your relationships, and your walk with God. When you start with a Kingdom agenda, living in relationship with the true King and embracing your place in His Kingdom, nothing will ever be the same. In these pages, we'll explore how, under God, this kingdom vision helps you find greater purpose for your life, guides your family toward Him, deepens your understanding of God's use of the church, changes the way you think about politics, culture, and philosophy. Join Dr. Tony Evans, one of the greatest Bible teachers of our time, as he unfolds this biblical and practical approach to life, an approach that has the power to change people, families, neighborhoods, churches, and even nations. Discover the power of the Kingdom agenda.

Ongoing Conversion: From Good to Better Fr. Henry J. Charles, 2014-01-17 This book is a compilation of homilies of Fr. Henry Charles, composed and delivered over a period of at least twenty years. The homilies were written out and eventually typed up, and it is possible that Fr. Henry had himself thought about publishing them, though we do not know this for sure. While many persons were privileged to receive emailed copies, and others actually heard his preaching, the homilies were thought to be deserving of a wider audience. The underlying message of his preaching is that discipleship of Jesus Christ requires not only the grace of faith but also demands perseverance, courage, and discipline, critical elements of the process he terms ongoing conversion. In addition, Fr. Henry advocates moral excellence, not settling for the merely moderate or the mediocre, but striving always to be perfect. Fr. Henry faces up to and wrestles with the perplexities of the Gospel, and he believed that one of the keys to overcoming these is an appreciation of its many paradoxes, and that as a consequence, we are required to see things from a different perspective, not as we are normally inclined to see them, but as God sees them. The homilies have been arranged thematically: On God, On Jesus, What Jesus Calls Us To Be, What Jesus Calls Us To Do, Faith, Hope, Love, Loss, Suffering, Death, and Heaven, Virtues and Vices, Human Dignity, Spirituality, Church, Liturgy and Ritual, and Culture, Society, and Leadership. There is, of course, considerable overlap among the various themes. The subjects he refers to, and the examples he gives, are contemporary and relevant, not only to a Caribbean audience, but we think to audiences globally. The style is informal and conversational for the most part, and this quality of the writing has been maintained. The homilies have been edited for clarity, and for obvious errors and omissions in the transcripts, and some have been retitled, but they have otherwise been reproduced and stand as he wrote them.
