Adapting philosophy Catherine Constable,2013-01-18 Adapting Philosophy looks at the ways in which The Matrix Trilogy adapts Jean Baudrillard s Simulacra and Simulation and in doing so creates its own distinctive philosophical position Where previous work in the field has presented the trilogy as a simple beginner s guide to philosophy this study offers a new methodology for inter relating philosophy and film texts focusing on the conceptual role played by imagery in both types of text This focus on the figurative enables a new found appreciation of the liveliness of philosophical writing and the multiple philosophical dimensions of Hollywood films The book opens with a critical overview of existing philosophical writing on The Matrix Trilogy and goes on to draw on adaptation theory and feminist philosophy in order to create a new methodology for interlinking philosophical and filmic texts Three chapters are devoted to detailed textual analyses of the films tracing the ways in which the imagery that dominates Baudrillard s writing is adapted and transformed by the trilogy s complex visuals and soundtrack The conclusion situates the methodology developed throughout the book in relation to other approaches currently emerging in the new field of Film Philosophy The book s multi disciplinary approach encompasses Philosophy Film Studies and Adaptation Theory and will be of interest to undergraduates and postgraduates studying these subjects It also forms part of the developing interdisciplinary field of Film Philosophy The detailed textual analyses of The Matrix Trilogy will also be of interest to anyone wishing to deepen their understanding of the multi faceted nature of this seminal work

Dennis Potter Peter Stead,1993 Dennis Potter is the most gifted and influential playwright in television history Millions of people have been fascinated by his novels plays adaptations and films Brilliant Oxford student journalist an early television critic a failed parliamentary candidate Potter belongs to that generation of the working class which rose to prominence in the media during the sixties Seldom less than controversial Potter s plays have ranged from the lives of Christ and Casanova to

dramatic milestones such as *Brimstone and Treacle Pennies from Heaven* and *The Singing Detective*. This pioneering study of Potter's work uncovers a playwright pre-occupied by guilt, betrayal, and a society diverted from its traditional values by consumerism. Far from being in the vanguard of sexual liberation and explicitness, a frequent criticism, Potter is concerned with sexual responsibility and integrity in relationships. The source of worth in Potterland, as Peter Stead terms it, is not modern, media-centred London but the working-class community of his childhood in the Forest of Dean. Potter's challenging body of work is revealed as a continually developing and deeply principled response to the changes of the last thirty years. Peter Stead has written an invaluable introduction to Dennis Potter's work, analysing the major plays and assessing his place in contemporary British culture. A former History lecturer at Swansea University, Peter Stead is now a freelance broadcaster and writer. He is the author of *Coleg Harlech* (1976, Film) and *The Working Class* (1989, 1991) and *Richard Burton: So Much So Little* (1991). For BBC Wales, he wrote and presented a television film on *How Green Was My Valley* (1991) and *Dennis Potter* (1993).

Adaptation Revisited Sarah Cardwell, 2002-11-23. The classic novel adaptation has long been regarded as a staple of quality television. *Adaptation Revisited* offers a critical reappraisal of this prolific and popular genre, as well as bringing new material into the broader field of Television Studies. The first part of the book surveys the more traditional discourses about adaptation, unearthing the unspoken assumptions and common misconceptions that underlie them. In the second half of the book, the author examines four major British serials: *Brideshead Revisited*, *Pride and Prejudice*, *Moll Flanders*, and *The Tenant of Wildfell Hall*.

Instead, this publication is intended to inform broadly, to stimulate critical thinking, and to serve as a catalyst for further inquiry. An *Additional Sources* section is included at the end of the directory. General reference books, relevant indexes, and databases, scholarly journals, popular magazines, newspapers, and trade publications are listed. Libraries and museums containing special television-related collections are also noted. There always seems to be new print publications
