3. The management function of controlling is carried out through the use of

- A. **A performance report that compares budgeted to actual results.**
- B. A reconciliation of the beginning and ending retained earnings balances.
- C. A schedule of cash collections and cash payments.
- D. A forecast of next period's production.

Discussion: The control function is evaluating the results of company actions. Only A involves both measuring results and comparison to determine whether the results are favorable or unfavorable.

4. Management accounting is used by

- A. Human resource employees who need to plan hiring
- B. Marketing employees who make decisions on profit achievable through an advertising campaign
- C. Accounting employees who make budget recommendations.
- D. **All of the above.**

5. The CMA certification requires

- A. A rigorous professional exam only
- B. Experience in financial management only.
- C. **A rigorous professional exam and experience in financial management only.**
