**The Essene-Christian Faith** Martin A. Larson,1989-01-01      *The Religion of the Occident* Martin Alfred Larson,1959

Study of the religions cults and mysteries which preceded Christ showing how different faith of the ancient world influenced the beliefs and rites of Christianity      **Jesus, the Essenes, and Christian Origins** Simon J. Joseph,2018 By bringing this holistic analysis of the evidence to bear Joseph adds a powerful and insightful voice to the decades long debate surrounding the Essenes and Christianity      **The Essene Heritage** Martin Alfred Larson,1967 Analyzes the literature and history of the Essenes who the author argues developed in secrecy the tenets which would later be proclaimed by John the Baptist and Jesus Christ      **The Prophet of the Dead Sea Scrolls** Upton Clary Ewing,1994 An eye opener for anyone who considers him or herself a Christian It shows how the early Church sprang from the sect Jesus was raised in the Essenes who had prepared for generations for His coming One has to feel a pang of conscience to read how this ancient unique Essene community was morally and spiritually so far ahead of us The author s findings are carefully buttressed by solid research from the Dead Sea Scrolls classical authors like Pliny and Philo early Church writers and the Bible Isaiah and James brother of Jesus have an Essene perspective As the Jews of conscience of their times the Essenes condemned the inhumane parts of the Old Testament They followed the true precepts passed down by a chain of Teachers of Righteousness culminating in the mission of Jesus The great practical value this book offers today is a touchstone to rediscover real Christianity and help distinguish the truth or essence of every faith      *Jesus the Wicked Priest* Marvin Vining,2008-03-27 Decodes the Dead Sea Scrolls to reveal Christianity s hidden Essene origins Reveals the Essenes as key figures behind Jesus s trial torture and crucifixion Shows how Jesus a former Essene himself was deemed the Wicked Priest for his liberationist politics and humanist bent Examines the lost Christian doctrine of reincarnation and the secret role of Gabriel in the Virgin Birth The Dead Sea Scrolls discovered in 1947 at Qumran are generally believed to have been written by a Jewish sect known as the Essenes between 350 BCE and 70 CE but until now no convincing methodology has linked the Scrolls to the actual life and teachings of Jesus Marvin Vining builds from the controversial work of Barbara Thiering to demonstrate that the Scrolls do speak directly to the origins of Christianity and even reflect a mirror image of the Gospels from the perspective of Jesus s enemies Christianity arose out of a schism between the exclusivist rigid and militant views of the Essenes and the inclusivist tolerant and nonviolent views of Jesus Jesus was raised an Essene but he refused to follow their orthodoxy Vining shows that the Dead Sea Scrolls are written in a secret coded language called peshar in which Jesus emerges as the Wicked Priest the antagonist to the Teacher of Righteousness who was the leader of the Essenes Jesus the Wicked Priest revitalizes the Gospel message by revealing Jesus s true role as a tireless social reformer and revolutionary teacher Vining s study reopens Christian doctrinal questions supposedly long settled such as reincarnation and the Virgin birth even demonstrating that

these two issues are related He discloses that the angel Gabriel was incarnate in a living human being and transmitted the seed of a holy bloodline to the Virgin Mary [The Essene Origins of Christianity](#) Edmond Bordeaux Székely,1981-01-01

obey Christ or ever be like Jesus Christ Jesus Christ is NOT a Christian Christians are followers of Paul not Jesus They are followers of Paul a Turkish con man who faked his Christian conversion appointed himself as an apostle of the Christian faith used fake credentials to infiltrate the early Christian churches polluted their teachings with pre existing pagan philosophies used the name of Jesus to turn Christianity away from Christ stole Christianity and turned it into an anti Christ religion and left his 419 records as the majority of the bible books you now read in your testament bible books Interestingly the letters of Paul has been structurally found to be patterned after the letters the Greek pagans of his days borrowed from their pagan African compatriots of Egypt see the G Milligan s Selections From the Greek Papyri 36 as quoted in page XV of Rev William Barclays book The Letters to the Galatians and Ephesians by the Saint Andrew press of Edinburg Rev William Barclay a doctor of divinity was lecture in New Testament language and literature and in Hellenistic Greek in the University of Glasgow This explains why over 2000 years after Jesus commanded his followers to love one another love their neighbours love their enemies do good to haters bless the cursers go the extra mile and turn the other cheek of tolerance when faced with oppression pray for users and abusers of their love No Christian group has obeyed Jesus Christ and NONE will ever obey him Discover how Paul stole Christianity from Christ and turned it into an anti Christ religion **The Shield of faith** ,1881

*Jesus and the Dead Sea Scrolls* John Bergsma,2019-09-10 A major new work on the Dead Sea Scrolls the oldest sacred documents of Judaism which reveals their surprising connections to early Christianity A luminous treatment of a fascinating subject Highly recommended Scott Hahn author of The Fourth Cup From award winning scholar John Bergsma comes an intriguing book that reveals new insights on the Essenes a radical Jewish community predating Christianity whose existence beliefs and practices are often overlooked in the annals of history Bergsma reveals how this Jewish sect directly influenced the beliefs sacraments and practices of early Christianity and offers new information on how Christians lived their lives worshipped and eventually went on to influence the Roman Empire and Western civilization Looking to Hebrew scripture and Jewish tradition Bergsma helps to further explain how a simple Jewish peasant could go on to inspire a religion and a philosophy that still resonates 2 000 years later In this enriching and exciting exploration Bergsma demonstrates how the Dead Sea Scrolls the world s greatest modern archaeological discovery can shed light on the Church as a sacred society that offered hope redemption and salvation to its member Ultimately these mysterious writings are a time machine that can transport us back to the ancient world deepen our appreciation of Scripture and strengthen our understanding of the Christian faith An accessible introduction This is a handy entry point for readers unfamiliar with Essenes or those interested in the Dead Sea Scrolls Publishers Weekly **CIVILIZATION** Armand du Plessis,2014-06-04 We witness step by step decay of civilization across the world particularly in South Africa As many others I also want to arrest the decline I thought I could reach the broad public by writing but after various persons had read the draft I realized only independent thinkers could benefit from it whilst it needlessly confuse those who are dependent on society for values Those who are

content with society and their prospects probably would not find use in this writing Maintenance of civilization is of the very greatest concern to man and even to plant and animal particularly threatened species I cannot imagine anyone who can read would object to this axiom But few know that which we call civilization was created by the Aryans and only this race and those who inherited sufficient of its characteristics maintain civilization On each of the legion subjects relating to civilization scholars already published documents but I have yet to find one revealing adequate role players to elucidate a total image covering both nature and history to enable us to find solutions for the preservation of Civilization The World's Sixteen Crucified Saviors, Or, Christianity Before Christ Kersey Graves,1876
