The Cooperstown Symposium on Baseball and American Culture, 2001 William M. Simons,2002-04-15 This is an

anthology of 23 papers that were presented at the Thirteenth Cooperstown Symposium on Baseball and American Culture held June 6-8 2001 and co-sponsored by the State University of New York at Oneonta and the National Baseball Hall of Fame and Museum. Featuring keynote remarks from George Plimpton author of *Home Run: The Best Writing About Baseball's Most Exciting Moment*, this Symposium examined such topics as baseball's myths, legends, and tall tales. These essays, divided into sections titled *Mythic Heroes*, *Media Mythology*, *Myth and Mystery*, and *Myths in Progress*, go beyond the quick and easy judgments of the media and offer instead the longer, more informed views of scholars and researchers.

Errors and Fouls: Inside Baseball's Ninety-Nine Most Popular Myths Peter Handrinos, 2014-06-30 Most baseball traditions are wonderful. But not all of them. The game's most basic elements have often been misrepresented, misunderstood, and misremembered through the years. All along, fiction has coexisted with fact, hyperbole has mixed with history, and exaggeration has been mistaken for explanation. Meanwhile, baseball's yen for tradition has left many fans and even baseball commentators unduly attached to stale ways of thinking. Peter Handrinos breaks from the past and provides an entertaining antidote to its outmoded ideas and excessive nostalgia.

Myth William G. Doty, 2004-06-30 A type of folklore, myth is central to all cultures. Written by a leading authority and of use to high school students, undergraduates, and general readers, this reference offers a convenient overview of the role of myth around the world. The volume defines and classifies types of myth and provides examples from different cultural traditions. It then overviews various approaches to studying myth. This is followed by a look at myth in relation to its contexts, such as religion, politics, and popular culture. The volume closes with a bibliography of print and electronic resources and a glossary.

Saying It's So Daniel A. Nathan, 2005-08-10 Annotation The story of Shoeless Joe Jackson and his teammates purportedly conspiring with gamblers to throw the World Series to the Cincinnati Reds has lingered in our collective consciousness for more than eighty years. Daniel A. Nathan's wide-ranging interdisciplinary cultural history is less concerned with the details of the scandal than with how it has been represented and remembered by journalists, historians, novelists, filmmakers, and baseball fans. *Saying It's So* offers a series of astute reflections on what these different cultural narratives reveal about their creators and the eras in which they were created, producing a complex study of cultural values, memory, and the ways people make meaning.

Mythography William G. Doty, 2000-03-21 Doty's *Mythography*, a journal of humanities and religious studies from the University of Alabama, focuses not on materials from antiquity but on modern approaches to myths and rituals in the major schools of interpretation. Rewritten and restructured, this new edition (first published in 1986) has expanded coverage of postmodern and post-structuralist perspectives, mythic iconography, neo-Jungian approaches, and cultural studies, and also includes a summary of new approaches to Greek myth, French classical scholarship, and ritual studies. Other features include a glossary, an up-to-date annotated bibliography, and a guide to myth on the Internet. Annotation copyrighted by Book News, Inc., Portland, OR.
