

Body Part

by Jason Tomlinson

All the parts of my body got the perfect part
cast as the good guys
it was perfect from the start
from head to toe I was created for good things
excellence and performance
all the best fit for kings
but sometimes I would forget
the role for which I was cast
and reminders would be sent so I could last
and make it to the end of the story
giving my Director the full measure of glory
my body part was never meant to malign
nor was it meant to sit around
and simply be benign
the part every part got from skin to nerve
was hero and protector I got the part to serve
