## **Esthers Story:**

Kingdom Files: Who Was Esther? Matt Koceich,2018-08-01 What do you know about Esther Was she the beautiful Queen of Persia the woman who hid her Jewish heritage from the king the courageous one who risked her life to save her people all of the above Journey along with Esther in a luxurious Persian palace in the presence of a powerful king in the very center of God s amazing power This biblically accurate story of Esther created just for the kids in your life explores the life of the beautiful Queen of Persia while drawing 8 to 12 year olds into a fascinating time and place as they learn about the woman who hid her Jewish heritage from the king and ultimately risked her life to save her people Featuring three key sections a Fact File an Action File and a Power File kids will enjoying learning about the life of Esther while coming to understand that an ancient Bible story really does apply to their lives today Dozens of captivating line art pieces add depth and interest to every chapter *Esther Scroll* David J. A. Clines,1984-08-01 The book of Esther emerges from complex origins According to David J A Clines the story combines elements from numerous literary textual and storytelling traditions Through the telling and retelling of the story the book as it appears in the modern canon slowly emerges In this volume Clines uncovers this fascinating history by examining the literary and textual elements of the book the shape of the story and the shifts in meaning as new generations have retold the story and interpreted it for their own time Esther Trudy Morgan-Cole,2003 Trapped in the sensual swirl of an alien culture her poise beauty and skill with the four stringed oud caught the eye of Hegai As she rose through the harem ranks her true identity carefully concealed her faith in eclipse Esther had no inkling that the fate of a nation would hang upon her courage Based on meticulous historical research Trudy J Morgan Cole weaves the biblical story of Esther into secular history Her deep narrative involving more than 70 characters brings to life the Zoroastrian society of ancient Persia and chronicles the known exploits and foibles of king Xerxes in authentic detail Her amazing story shows how God turns women with common fears struggles and identity crises into heroines of faith If you liked Terri Fivash s Joseph you ll love Trudy J Morgan Cole s Esther **Esther** Jonathan Grossman,2011-06-30 Using narrative devices such as allusions and free associations multivalent expressions and irony the author of Esther wrote a story that is about a Jewish woman Esther during the time of the Persian exile of Yehudites and the Persian king Ahasuerus who was in power at the time At various junctures the author also used secret writing or we could say that he conveys mixed messages one is a surface message but another often conflicting message lies beneath the surface For instance the outer portrayal of the king as one of the main protagonists is an ironic strategy used by the author to highlight the king s impotent indecisive antihero status He may wield authority as symbolized by his twice delegated signet ring but he remains powerless Among all the concealments in the story the concealment of God stands out as the most prominent and influential example A growing number of scholars regard the book of Esther as a comic diversion the function and intention of which are to entertain the reader However Grossman is more convinced by Mikhail Bakhtin s approach and he labels his application of this approach to the reading of

Esther as theological carnivalesque Bakhtin viewed the carnival or the carnivalesque genre as a challenge by the masses to the governing establishment and to accepted social conventions He described the carnival as an eruption of ever present but suppressed popular sentiments The connection between the story of Esther and Bakhtin s characterization of the carnivalesque in narrative is evident especially in the book of Esther s use of the motifs of reversal and transformation For example the young girl Esther is transformed from an exiled Jewess into a queen in one of the turnabouts that characterize the narrative Many more examples are provided in this analysis of one of the Bible s most fascinating books *Star of Persia* Jill Eileen Smith,2020-03-03 In an effort to complete a war his father had planned to win King Xerxes calls every governor satrap and official in his vast kingdom to his palace in Susa to strategize and feast When they finally leave he decides on one more week of frivolity which ends in the banishment of his favorite wife something he never intended to do But when he discovers Esther Xerxes is sure he has a second chance at happiness In her wildest dreams Esther could never have imagined that she would end up as queen of Persia Yet she knows better than to become complacent Another of Xerxes s wives is vying for position and his closest advisor has a deep and dangerous grudge against Esther s adoptive father Caught in the middle of palace politics Esther will find herself in an impossible position risk her life or consign her people to annihilation With her impeccable research and her imaginative flair Jill Eileen Smith brings to life the romantic suspenseful and beloved story of Esther queen of Persia *Ruth, Esther* Marion Ann Taylor,2020-09-08 A new commentary for today s world The Story of God Bible Commentary explains and illuminates each passage of Scripture in light of the Bible s grand story The first commentary series to do so SGBC offers a clear and compelling exposition of biblical texts guiding everyday readers in how to creatively and faithfully live out the Bible in their own contexts Its story centric approach is ideal for pastors students Sunday school teachers and laypeople alike Each volume employs three main easy to use sections designed to help readers live out God s story LISTEN to the Story Includes complete NIV text with references to other texts at work in each passage encouraging the reader to hear it within the Bible s grand story EXPLAIN the Story Explores and illuminates each text as embedded in its canonical and historical setting LIVE the Story Reflects on how each text can be lived today and includes contemporary stories and illustrations to aid preachers teachers and students Ruth Esther The book of Ruth presents a compelling account of how most of us experience God in our everyday lives We see God working indirectly behind the scenes giving us a theology of divine and human cooperation as those who pray for God s blessings participate in answering their own petitions as well as the prayers of others In Esther s story we recognize our own world today often experiencing it as a place where God seems hidden Her book challenges us in unique ways Edited by Scot McKnight and Tremper Longman III and written by a number of top notch theologians The Story of God Bible Commentary series will bring relevant balanced and clear minded theological insight to any biblical education or ministry **Esther** Karen H. Jobes,1999 This biblical narrative tells today s Christians about God without actually mentioning him **Death Doesn't Discriminate** Taylor

Hathcock,2022-10-28 *Death Doesn't Discriminate* is a preliminary study into Scandinavian women of the Viking age. The book examines the religious motivations that Scandinavian women had to convert to Christianity. Namely, the study seeks to answer why women found Christianity appealing and chose to become Christian, setting aside pagan belief systems. The depictions of women in each belief system are explored both in daily life and in the mythology that underpinned both beliefs. The argument is made that what appealed most to Scandinavian women was the Christian afterlife.

*Esther and the Politics of Negotiation* Rebecca S. Hancock,2013-10-01 Was Esther unique, an anomaly in patriarchal society? Conventionally, scholars see ancient Israelite and Jewish women as excluded from the public world; their power concentrated instead in the domestic realm and exercised through familial structures. Rebecca S. Hancock demonstrates in contrast that because of the patrimonial character of ancient Jewish society, the state was often organized along familial lines. The presence of women in roles of queen consort or queen is therefore a key political and not simply domestic feature.

30 Old Testament Interactive Stories for Young Children Steven James,2007-01-02 This is a collection of favorite Bible stories, each written with a creative and meaningful storytelling technique, especially suited to help teachers involve young children in the Bible story. Enjoy this library of favorite Bible stories and storytelling techniques developed by award-winning author and professional storyteller Steven James. Each book includes creative storytelling techniques especially suited to help teachers tell God's story and involve children in the Bible story.

Esther's Story Diane Wolkstein,1996-02-17 Just in time for Purim comes this lovely retelling of the story of Esther, the young Jewish girl who became a Persian queen and saved her fellow Jews from annihilation. Wolkstein casts this inspiring biblical tale in the form of a diary. Wijngaard's lavish illustrations and Wolkstein's rendering of Esther's first-person narration breathe new humanity into this grand and glorious story.

Publishers Weekly **A Critical and Exegetical Commentary on the Book of Esther** Lewis Bayles Paton,1908 Esther's charge Evelyn Everett-Green,1903 Women's Bible Commentary Carol Ann Newsom, Sharon H. Ringe,1998-01-01 In the critically acclaimed best-seller *Women's Bible Commentary*, an outstanding group of women scholars introduced and summarized each book of the Bible and commented on those sections of each book that have particular relevance to women, focusing on female characters, symbols, life situations such as marriage and family, the legal status of women, and religious principles that affect relationships of women and men. Now this expanded edition provides similar insights on the Apocrypha, presenting a significant view of the lives and religious experiences of women, as well as attitudes toward women in the Second Temple period. This expanded edition sets a new standard for women's and biblical studies.
