ENIGMATARIUM E. D. Pedersen,2010-02-01 Enigmatarium is story founded on light and darkness It begins with Jack a young man who is the victim of a magic beyond his imagining This magic has come to be known as the Jester Spell It is a spell that transforms its victim into a deformed marionette This is but the first knife to cut away a shroud covering his entire world As time passes for him and as new characters come into his life he begins to realize that truth becomes the only pursuit in a world that continually changes a place where evil becomes good enemy becomes friend and each new lie creates a seemingly endless prison of twists and turns Together with some unlikely friends they all strive to unravel the secrets of the Enigmatarium But some secrets they learn are far more terrifying than anything they could ever fathom And just when they think they may have figured it out tragedy finds a way into their hearts The Enigmatarium is a place where reality and fantasy combine with no clear boundaries where time spans centuries where magic and death go hand in hand with life and loss And just as one world must endure its Onyx ruler another world is simultaneously being governed by one of Pearl Take the journey play the game trust no one and enter the Enigmatarium It is waiting to welcome you to your fantasy
