First Love Hazel Kelly, 2016-10-16 They say you ll never forget your first love and that s definitely true in my case I think that s because he was my first everything My first crush my first kiss my first home run Unfortunately the only predictable thing about our relationship was that we never seemed to have enough time together On the one hand that was a blessing It meant I never had to deal with the pain of watching the spark between us fizzle as we grew up and grew apart Then again maybe it wouldn t have Maybe it would ve ignited further and turned into something more Not that it mattered

The past was the past and I needed to put my teenage daydreams behind me After all so many years had gone by since I d seen my perfect summer crush that he d become nothing but a string of scattered faded flashbacks that seemed too good to be true and too old to keep on such a dusty pedestal Of course as soon as I was ready to forgive and forget he walked back into my life out of the blue sexier bolder and more unattainable than ever If only I knew whether he planned to stay
