Fine English Cookery:

Fine English Cookery Michael Smith, 2015-07-21 English food is enjoying a revival after decades spent in the shadow of European and other cuisines Michael Smith's highly acclaimed book is centred on eighteenth century recipes but also delves back into Elizabethan and Stuart kitchens and his skill in adapting historic dishes for the contemporary cook puts Almond Soup Asparagus and Bacon Fraze and Caveached Sole within easy reach of today's reader Traditionally English cooking was generous in its use of herbs and spices and adventurous in its combining of flavours and Michael Smith's wide ranging research uncovers dishes with a surprisingly modern air Mustard Soup Salmon in Red Wine and Gooseberry and Rosemary Ice Cream for example sit alongside classic potted meats and fish For too long breakfast and tea have been seen as the only meals at which English cooking has anything to offer the world This refreshingly contemporary collection of classic recipes proves once and for all that the inventiveness and diversity of English food deserve to be recognised and enjoyed Of the many books on our food he is my favourite the one I use most Jane Grigson

Arabella Boxer's Book of English Food Arabella Boxer, 2012-07-05 A Book of English Food is an elegant compendium of brilliant recipes adapted from the cookery books of the 1920s and 1930s by Arabella Boxer with beautiful new illustrations by Cressida Bell Arabella Boxer's Book of English Food describes the delicious dishes and the social conditions in which they were prepared cooked and eaten in the short span between the two World Wars when English cooking suddenly blossomed The food in these wonderful recipes comes from the great country houses where little had changed since Victorian times the large houses in London and the South where fashionable hostesses vied with each other to entertain the most distinguished guests at their tables and less grand establishments like those in Bloomsbury where the painters and writers of the day contrived to lead cultured and civilised lives on little money Containing 200 recipes drawn from cookery books magazines of the period family sources or from talking to survivors who still remember those days A Book of English Food is a fascinating glimpse into another world and a celebration of English cooking at its finest That rare thing a cookery book with an argument viz that English cookery was once both good and independent of the cuisines of her neighbours a rollicking good read Observer I still find the calm elegance of her writing an inspiration Nigel Slater A treasury of social gossip immensely enjoyable and useful Spectator A captivating exploration and celebration of the flowering of English cooking in the 1920s and 30s Financial Times I recommend it not only for its excellent food but also for the superb introductions and details of social history in the great houses with their shimmering hostesses Evening Standard Arabella Boxer was born in 1934 and educated in the UK Paris and Rome She has written for the Sunday Times magazine and the Telegraph magazine and was Food Writer for Vogue from 1966 to 1968 and 1975 to 1991 She was awarded the Glenfiddich Cookery Writer of the Year Award in 1975 and 1978 a Glenfiddich Special Award in 1992 and won the 1991 Andr Simon Award and the 1992 Michael Smith Macallan Award for fine writing about British food Arabella Boxer is the author of a number of cookery books including First Slice Your Cookbook
