The Gioconda Smile Aldous Huxley, 1984 **The Gioconda Smile** Aldous Huxley, 2013-03-08 Miss Spence will be down directly sir Thank you said Mr Hutton without turning round Janet Spence s parlourmaid was so ugly ugly on purpose it always seemed to him malignantly criminally ugly that he could not bear to look at her more than was necessary The door closed Left to himself Mr Hutton got up and began to wander round the room looking with meditative eyes at the familiar objects it contained **The Gioconda Smile** Aldous Huxley, 2014-12-31 There are three good friends a devoted husband a pathetically invalid wife and a woman friend of the family Gradually we learn that there is a terrifying truth beneath the appearance of their friendship It has an ending you have never seen before and it will give you the shock of your life 5 women 5 men **A Study of "The Gioconda Smile" by Aldous Huxley** Françoise Michel-Gay, 1964 **The Gioconda Smile** , 1948

The Gioconda Smile Aldous Huxley, 1948 **The Gioconda Smile** Aldous Huxley, 1948 **Aldous Huxley Between East and West** C. C. Barfoot, 2001 Although the title of this volume is Aldous Huxley between East and West the order of the articles found within goes from West to East which naturally imitates Huxley s own progress especially since he went to the trouble of stepping out as far West as possible before starting for the East Indeed one could argue that he was already on his way there before he left for California a continuous journey perhaps since from the Californian shores of the Pacific the East is the further West After the Introduction which places Huxley between East and West the book starts with a consideration of Huxley s family connections then goes onto his earliest fictions his interest in science and the issue of modernity and his experiments with drama and their inherent philosophical concerns The poetry with which he began his writing career is then viewed as a link between his earlier Western self and his later Oriental interests suggesting that the latter was always inherent in the former A number of considerations of the Utopian themes in Huxley s middle and later fiction leads the volume to a climax with four articles surveying the foibles and the wisdom of Huxley s encounter with Eastern religious thought and philosophy his misunderstandings as well as ours of what actually he had learned and wished to pass on to the Western world *The Gioconda Smile* Aldous Huxley, 1922 **The Gioconda Smile** , 1964 Theatre program *Aldous Huxley's Short Fiction* Andrija Matic, 2024-04-13 Aldous Huxley s Short Fiction analyzes Huxley s short stories within a modernist context highlighting that he shared more characteristics with distinguished modernists than is usually believed The book also explores other features of Huxley s short stories focusing on themes such as consumerism mainstream education shallow intellectualism women s emancipation toxic masculinity and sensational journalism themes that correspond with both Huxley s time and our world and position him among the most prophetic authors of the twentieth century This study demonstrates that Huxley s short fiction can provide answers to questions that remain confusing or partially explained in the research on Huxley s work It illustrates the constants and changes in Huxley s opinions on organized religion mysticism and the relation between sexuality and spirituality while also clarifying Huxley s political

opinion which is often misunderstood due to his advocacy of pacifism Finally the in depth interpretations of Huxley s short stories reveal the dynamics of his literary style especially his complex humor and irony areas he developed more than any other modernist author of short fiction *Aldous Huxley* Claire John Eschelbach, Joyce Lee Shober, 1961 *Aldous Huxley* Nicholas Murray, 2003-03-24 A generous and intelligent biography of the twentieth century luminary and author of *Brave New World* The Guardian UK When Aldous Huxley died in 1963 he was considered one of the most important English writers of the twentieth century Known for his dystopian satire *Brave New World* and his experimentation with drugs that preceded the 1960s psychedelic a term he invented era Huxley seemed to embody the condition of twentieth century man in his restless curiosity his search for meaning in a post religious age and his concern about the misuses of science and the future of the planet This biography of Huxley draws on unprecedented access to the author s private papers as well as numerous interviews with his family and friends It is a portrait of a daring and iconoclastic novelist a man hampered by semi blindness who spent a restless life in search of personal enlightenment Nicholas Murray charts Huxley s Bloomsbury years his surprising and complex relationship with D H Lawrence and his emigration to America in the late 1930s where he pursued a career as a screenwriter while continuing his fascination with mysticism and religion Huxley s private life was also unconventional and this book reveals for the first time the extraordinary story of the m nage trois including Huxley his remarkable wife Maria and the Bloomsbury socialite Mary Hutchinson Huxley is revealed as one of the most intriguing and complex figures of twentieth century English writing In an era of intense specialization he transcended conventional categories to become an influential novelist poet biographer philosopher social and political thinker [The Gioconda Smile](#), 1953 **Hearst's International**, 1922 **The Gioconda Smile and Stories** Aldous Huxley, 1932 *Blood on the Stage, 1925-1950* Amnon Kabatchnik, 2010 In this volume Amnon Kabatchnik provides an overview of more than 150 important and memorable theatrical works of crime and detection between 1925 and 1950 Each entry includes a plot synopsis production data and the opinions of well known and respected critics and scholars *Harper's New Monthly Magazine* Henry Mills Alden, 1893 Harper s informs a diverse body of readers of cultural business political literary and scientific affairs [Harper's New Monthly Magazine](#), 1894 **The Golden Book Magazine**, 1926
