Lim tops JC reelections CB rep vacancies filled

By Tony Ben Roman

Raulito Lim (3-85 BMS) edged fellow candidate Hubert Guerva (4-85 LMS), 1,366-1,360, for first place in the Judicial Council re-elections last August 12.

Just two long ago, an attempt to seat JC magnificator was kindled when actual voter turnout fell short by 16 votes. This was hardly the case in the last elections, as 1,957 students or 59.42% showed up to cast their votes, exceeding the maximum by 50 votes.

Close behind the leaders was Coco Alvarez (3-AB PhiA) with 1,256 votes. Fourth and fifth, respectively, were Ray Agnes (3-85 BMS) and Antonino Sison (3-85 BMS). Lim, who only joined the race after the failed JC elections. Filling in the last slot was Francis Gansal (4-AB Coma), who garnered 681 votes.

Lim cited his strong showing in the Students and Employees bodies, where he took 342 and 317 votes, respectively, and the prior year, which clipped in 331 votes, as responsible for his success. Reacting to the heavy turnout, he said that "the 59.42% is an encouraging turnout. Still, some students are apathetic. The results, though, were a good indication that some were aware."

For his part, Alvarez criticized the turnout to the students themselves. He said that "To a certain extent, the campaign made them [the students] aware that they had a situation to respond to."
Conversely, on the other hand, argued that while the heavy turnout was a healthy sign, it cannot by itself prove apathy. Moreover, he emphasized, "should show concern not only for personal issues but also

small ones as well. They should always be critical."

Meanwhile, last senior Institute rep candidate Maño Budia (35 BMS) garnered 208 votes, as the senior Institute sector registered a 64.09% voter turnout.
"Good" rep Kabanatan juror or Kabanatan here also filled in the remaining slot in the freshmen year council. Last senior rep her Mike Farnador (35 BMS) easily beat the absentee vote 1,096 votes. Running mates Al Nev (3-AB Coma) and Mike Budia (3-AB Coma) emerged with 212 and 214 votes, respectively.

Winners of the JC elections were included into office by Chair Salazar of the Office of Student Affairs last August 23.

Judicial Council (JC) magnificator Ray Agnes (3-85 LMS) and Hubert Guerva (4-85 LMS) put to rest rumors that the freshman year council would be dissolved. Instead, following the discovery of glaring discrepancies between the original version of the Constitution and the typographical-error-infested Guidelines.

OSA Director Chino Salazar leads walk-taking drive for the Magistrates.

Anti-bases campaign continues

By Sandra Bernardino

Responding to an urgent need to educate Filipinos on the issue of the US military bases in the Philippines, the Ateneo launched an information drive through radio spots, newspaper articles and other media in the Philippines.

The first of a series of talks was sponsored by KALAYA and the Ateneo. The speakers included: Fr. Romeo B. Kelly, S.J., Ateneo's first Filipino priest in the Philippines; Fr. Benjamin de la Cruz, S.J., Ateneo's first Filipino priest in the Philippines; and Fr. Benjamin de la Cruz, S.J., Ateneo's first Filipino priest in the Philippines.

At the same time, Fr. Benjamin de la Cruz, S.J., Ateneo's first Filipino priest in the Philippines, is also working on a book on the bases. The US bases, he said, are a clear violation of the pact and present help of American "imperialism" within our

of national interests. Fr. Benjamin stated that these American military bases are not only a threat to the Philippines, since they cannot be used by the government against subversive elements and the country's safety is in jeopardy, but also a source of economic drain. Fr. Benjamin, however, emphasized that only organized US intervention in Philippine affairs, he said, could be a real threat to the country.

Kelly expressed his support for the removal of the US bases in the Philippines, drawing their presence as a source of economic drain. At the same time, he pointed out the fact and evidence that characterized the bases: RPFCS, bases, and military, in which the bases have made a contribution to the United States' program of war against the independence of Philippine

Under Fr. Benjamin, Manila followed that trend in the removal of the bases. He said that the US bases in the Philippines are a source of economic drain. Ateneo hosts fiftieth Buklod Atenista Assembly

By Maria Bautista

The Ateneo de Manila will host the Buklod Atenista Fiftieth National Assembly from September 11 to 13 at the Bullock Center. From major delegations from such as the other Ateneo branches namely Xavier University (Ateneo de Cagayan), Ateneo de Naga, Ateneo de Zamboanga, and Ateneo de Davao are expected to attend the convocation. Representing the Ateneo de Manila are Bernie Marquez (CB President), Bong Baccus (EZPS), Karl Martinez (Junior Arts Rep.) and two others from the Freshmen and Sophomore Year Councils. Aside from the students, the Fr. Provincial, as well as the presidents of all the Ateneo Universities have been invited.

This year's National Assembly will address education-related local and national concerns. An analysis

of the present educational system will also be made, to facilitate the creation of programs responsive to issues close to the Atenean such as the "Magna Carta of Students' Rights and the Institute for Research on the U.S. Base Issue" will also be made. The structure and program of Buklod will be re-evaluated, in hopes of increasing the Ateneo's participation in national activities.

The very promising Cultural Exchange Program will be of great importance to this year's National Assembly. The exchange between different Ateneo communities began last year, after the Fourth National Assembly, with the trading of products from different regions. At present, however, Buklod aims to expand the program to include cultural programs [continued on page 2]

Central Board conducts study on Share-an-Education Program

By Baby Laktion

The Central Board (CB) is conducting a feasibility study on Share-an-Education Program (SAEP), formally known as the "socialized tuition fee scheme." SAEP is basically the subsidizing tuition fee of the lower income class by having the higher income class pay more.

Meanwhile, the University of the Philippines (UP) is also conducting a study on the same subject. UP students who belong to the P10,000-200,000 income bracket are eligible for full amount of P10,000 compared to a percentage-subsidized amount of P10,000 for the other income levels. What Salazar want is for the higher income class to subsidize the tuition fee of the lower income bracket. Further details, CB Internal Vice-President and chairman of research committee on SAEP stated.

The Center for Social Policies (CSP), an intergroup research group is also conducting the study. The group is headed by Fr. Benigno de la Cruz, S.J., Ateneo's first Filipino priest in the Philippines. He said that the study is a response to the Ateneo's 50th anniversary. He said that the study is a response to the Ateneo's 50th anniversary.

Should the removal of the US bases be a reality, the US bases in the Philippines are a source of economic drain. He said that the US bases in the Philippines are a source of economic drain. He said that the US bases in the Philippines are a source of economic drain.

Results on the Study revealed were as follows:

Level No. Income bracket (P.A.) % of Population

1	50,000 and below	Full subsidies
2	50,000 - 75,000	20%
3	75,000 - 99,000	30%
4	100,000 - 149,000	10%
5	150,000 - 200,000	100%*
6	200,000 - 499,000	120%
7	500,000 - 999,000	150%
8	1,000,000 and above	200%

*The 10% level, the tuition fee is the average income bracket of a student in Ateneo.

The basic tuition fee is P10,000 a year. In an estimated view, the 10% level would be spending 6-10 percent of the annual income for one child, on the other hand, those belonging to the 20% level would be allowing 2 or less percent for one child, therefore, the degree of burden is definitely the same even though tuition is higher for them.

In the system, the percentage of payment is divided by the income bracket to show why they belong. This system, have advantages and disadvantages. Benefits revealed that the system gives a considerable margin of income and the [continued on page 2]
