(Approved for 4 weeks)

Typical Units

Students are introduced to all the standards and skills. These standards are the focus.

1 The standards are taught in a sequential order. Each skill is explained and then applied to an example situation. The student then works on the skill on their own.

2 The standards are not all explained in the first unit. Instead, students are able to practice selected standards.

3 The standards are not explained until the end of the unit. This provides a natural relationship among
