## **Go Ahead Selfpublish:**

**Go Ahead Self-Publish!** Eileen Birin, 2000-01-01 This book is intended for all enterprising writers and publishers Fifteen authors share their learning experiences and realistic views of the writing publishing and marketing processes Other writers offer solid practical FACTS on Editing and proofing the draft Designing the cover Preparing the manuscript Procuring technical details Choosing a printer Promoting and selling the book Establishing a business Marketing on the Internet Plus useful writing tips suggested references and a list of professional associations Working on a book Considering self publishing GO AHEAD SELF PUBLISH is the book for you *The Path of the Indie or How to Self Publish Your Book* Martin V. Parece II, 2014-03-13 This book is your one stop guide to publishing your book on multiple e book platforms print on demand and audio Inside you ll find detailed walkthroughs on the process itself the websites you ll need to use and extensive advice on the process Here s what I could do I could promise you everything The sun moon and stars will be yours to command If you read my book you will be the next big author and you ll make so much money that you ll have no choice to give it all away because you can t possibly spend it all in one lifetime I m not going to do that Why Because that s exactly what all the other books websites and so called experts do and it s simply not true Here s what I will do I will guide you through the entire process from start to finish I ll use my experience from the last several years to help you avoid the mistakes that I and many other indie authors have made and still make I ll offer you all the advice I can and with any luck and a lot of hard work you ll publish a book *How to Self-Publish Your Book for Free on CreateSpace and Amazon Kindle* Thomas Jerome Baker, 2013-06-03 ReViewed ReVised ReEdited RePublished on June 14 2015 This update includes a case study of a successful self published author who took 20 years to get published The case study is called Maids of Misfortune and it was added as an appendix Also updated statistics from the publishing industry and various experts are referred to throughout the book where appropriate This book is a journey It is told as a story set in its historical context of what it means to do something you have never done before I invoke the names of people who have achieved great things by teaching themselves what they needed to know You are in good company with presidents and poets generals and soldiers rich men and poor men Nobel Prize winners artists architects inventors and scientists True some of these people were geniuses but most were just common men and women like you and me If they did it so can we The one thing they all have in common with you and me is that they had to teach themselves Like you and me they were autodidactic No matter how frustrated they became they stayed focused on their goals and ultimately achieved them Why Because they never gave up even when it took 20 years they never gave up You and I are in good company so we won t give up when we run into difficulties Self publishing is highly skilled technical work even for people who know what they are doing For you and me it is a daunting challenging task We must be inspired we must be motivated If you are like me and most other people your first try at self publishing will be frustrating Ask other people to help you when you need it It s not an admission of failure it s a sign of wisdom to ask for help Just never give

up and you will succeed Perseverance will take you from an elementary basic skill level to an advanced highly skilled level Patience with yourself is needed As time goes on you will get better and better at self publishing I guarantee it I have given you a set of tips and principles that helped me when I first began They will be worth your time to reflect on Remember if we can connect to the stories of the people who came before us and were successful then we can be successful also The information in the book is complete and thorough Like the previous edition I used the self publishing steps in the book to self publish this book Anytime you feel like something is missing or incomplete understand that I have given you all of the information that I used to publish this book Backtrack and you will surely find a solution to whatever problem you may be having Finally the purpose of this book is to help you self publish to help you make your dream to become a successful writer a moneymaking writer come true It s not easy to do for everyone Some of us require more effort to achieve the results we want For others self publishing is so easy that it seems like almost anyone can do it I did it and I believe you can do it too That s why I wrote this book to help you publish your book You can trust me because I have self published more than 100 times I know what I m talking about If you wait for a publisher you might never see your book s published without paying a high price If you self publish your book will be published In fact ALL of your books will be published How much will it cost you to get published Absolutely nothing That s right 0 00 to get your book s published Get this book and get started on your self publishing journey today [Design Your Own Book: Get Started on Your Journey to Self-Publishing](#) Shawn M.

Tomlinson,2016-01-07 You ve done it You ve finished your novel or memoir or how to or poetry collection etc Sit back Breathe a sigh take a drink light a cigar You ve done it Now what Usually an author is so exhilarated by finishing a book that he or she doesn t really think about what s next Sure there are those dreams of every publisher knocking at your door starting a bidding war for your manuscript and your book becoming a best seller over night And that can happen It does occasionally but more often the hard work still is to come This book is not for those authors who get an agent who gets them editors who convince their publishers to publish their books This book is for those intrepid souls who decide the only way to maintain control over their books and or to make more money per book than with a traditional publisher is to self publish
