God As Symbol:

God as Symbol John M. Shackelford, 2004 Although this work is written from a Christian viewpoint it also presents the symbolic visions of the non believer The symbolic examination of God helps us to uncover what it means to be human and where we are heading as a species Symbols aid in conveying the abstract ideas that human languages are too limited to express In the broadest sense God symbolizes all the mysteries of existence Any thinking person must ask the question what is the ultimate significance of this frail and vulnerable flesh that clothes the human ego God symbolizes these important mysteries and beckons us to approach him for answers

Jesus, Symbol of God Roger Haight, 1999 The God-symbol Paul Diel, 1986

How God Thinks David Vancelette, 2021-09-08 Mankind is the symbol using animal American philosopher Charles Peirce famously wrote It s vital literally that we grasp our relation to symbols God himself thinks in symbols Since we are made in God s image everything we think and do is symbolic as well Moses failed to follow God s symbolism and was harshly punished forbidden to enter the Promised Land Keeping or breaking symbolism will decide how each of us fares on Judgment Day Understand symbolism or suffer the consequences PRAISE FOR HOW GOD THINKS Winner of the Pacific Book Award for Best Spirituality Finalist of the Pacific Book Award for Best Philosophy Thorough and thought provoking this book is a must read for anyone interested in the Bible its history and its society shaping role US Review of Books Discussing the symbolic illustration in a Christian marriage between one man and woman versus homosexuality divorce polygamy and polyandry Vancelette dives deeper into what it means to be a man and a woman in the eyes of God San Francisco Book Review It reads like top shelf philosophy with pragmatic commentary and poetic sensibilities Seattle Book Review David Vancelette s HOW GOD THINKS is a fascinating and original attempt to do what no theologian has ever accomplished to get inside the mind of God IndieReader QUESTIONS ANSWERED BY UNDERSTANDING SYMBOLISM How has Satan made himself equal to God through broken symbolism Why do hardened feminists and the LGBTQ community reject the symbolism God designed into human sexuality What alternative was Jesus actually praying for in the garden when he prayed let this cup of crucifixion pass from me Why do many Jews see Jesus as broken symbolism not as the Messiah This gripping ambitious book will answer these and much more ABOUT THE AUTHOR David Vancelette holds a degree in computer science and has worked some four decades as a computer systems analyst at Fortune 500 companies He has attended both the University of Pennsylvania and Philadelphia Biblical University He also studied philosophy at American Public University David vitally believes that sound analysis logic and reliance upon the Holy Spirit must be brought together to properly interpret the Bible David Vancelette is an amazing author Pacific Book Review

God's Purpose with Mankind and the Earth William Renny Caird, 1876 **God and the Creative Imagination** Paul Avis, 2013-01-11 A mere metaphor only symbolic just a myth these tell tale phrases reveal how figurative language has been cheapened and devalued in our modern and postmodern culture In God and the Creative Imagination Paul Avis argues the contrary we see that

actually metaphor symbol and myth are the key to a real knowledge of God and the sacred Avis examines what he calls an alternative tradition stemming from the Romantic poets Blake Wordsworth and Keats and drawing on the thought of Cleridge and Newman and experience in both modern philosophy and science God and the Creative Imagination intriguingly draws on a number of non theological disciplines from literature to philosophy of science to show us that God is appropriately likened to an artist or poet and that the greatest truths are expressed in an imaginative form Anyone wishing to further their understanding of God belief and the imagination will find this an inspiring work

Relating God and the Self Jan-Olav Henriksen, 2016-04-08 Religion is not only about understanding the world it is just as much about how to develop and shape the self s experience of itself Because the religious self is shaped by our symbols of God and symbols of God are also shaped by the self theology and philosophy of religion cannot ignore this interplay or the psychological dimension when they discuss what symbols of God are adequate and not By discussing critically different ways the symbol of God functions in the formation of the self the book develops a nuanced and original approach to the interplay between God and the self It suggests that play is actually an important metaphor in order to develop a dynamic understanding of religion s way of relating God and the Self This approach challenges understandings of religion focussing only its cognitive claims as well as those who emphasize doctrinal orthodoxy as the most important element in religion

Retrieving the Radical Tillich Russell Re Manning, 2016-01-26 Paul Tillich is best known today as a theologian of mediation Many have come to view him as an out of date thinker a safe exemplar of a mid twentieth century theological liberalism The way he has come to be viewed contrasts sharply with the current theological landscape one dominated by the notion of radicality In this collection Russell Re Manning breaks with the widespread opinion of Tillich as safe and dated Retrieving the Radical Tillich depicts the thinker as a radical theologian strongly marked but never fully determined by the urgent critical demands of his time From the crisis of a German cultural and religious life after the First World War to the new realities of religious pluralism Tillich s theological responses were always profoundly ambivalent impure and disruptive asserts Re Manning The Tillich that is outlined and analyzed by this collection is never merely correlative Far from the dominant image of the theologian as a liberal accommodationist Re Manning reintroduces
