Hamburger Horrors:

Hamburger Horrors Oscar Auca,2004-09-01 Can God call a Woman to Pastor is a book about the sovereignty of the God of creation Whom we know through the Lord Jesus Christ This book is without the subjective denominational religious and ideological persuasion that occurs when writers try to sale their point of view This book shows that the message and the messenger of the Kingdom of God are not limited to gender color or ethnicity It also shows that the ability to be a leader in the Church the world could use this as well is not based first on our physical abilities but on our intellectual abilities The ability to reason comes from the brain When it comes to intellect both the males and females brains are the same This is a proven theory without argument This book supports the equality for male and female in the Kingdom of God It also supports the equality of males and females in the kingdoms of this world Every one who wants to exercise their God given right to become a leader will benefit greatly from this book This book helps us to be all that we can be without feeling guilty or intimidated about who don t believe we should be in the position we are in This book is about the freedom God gives us within the His moral laws This book helps to understand what the scriptures teach in Galatians 3 25 But after that faith is come we are no longer under a schoolmaster For ye are all the children of God by faith in Christ Jesus For as many of you as have been baptized into Christ have put on Christ There is neither Jew nor Greek there is neither bond nor free there is neither male nor female for ye are all one in Christ Jesus King James Version Once the true Church of Jesus Christ lead the way in freeing humanity then the world will follow As long as there is prejudice in the Church there will be prejudice in the world The Church of Jesus is the leader of peace and harmony Any Church that preaches bondage may need to look at the word of God to see if they are part of this Church of Jesus Christ or declare they are of themselves **The Red Casket**

Oscar Auca,2025-08-22 Oscar Auca is an imaginative storyteller with a flair for monster tales Inspired by cult classics like Attack of the Killer Tomatoes Oscar turned his fascination with outrageous concepts into a series of entertaining monster themed stories He is the author of Hamburger Horrors and Bride of the Giant Hamburger Monster Son of the Giant Hamburger Monster invites readers to embrace the wonderfully unexpected The Making of Horror Movies Jennifer Selway,2021-06-09 A fascinating journey through society s changing preoccupations as reflected in horror films plus profiles of the genre s top actors and directors It wasn t until 1973 that a horror film The Exorcist was nominated for an Oscar for Best Picture and critics are still divided today many regarding them with amused condescension The public s view is also

sharply divided Some cinema goers revel in the thought of being made very very afraid while others avoid horror films because they don't want to be frightened This guide which is for both the fan and the more fainthearted steers an illuminating path through a genre that has since the early days of cinema split off into many subdivisions folk horror slasher movies Hammer sci fi horror psychological thrillers zombie movies among others Times change but moviemakers can always find a way to tap into what we fear and dread whether it's blood sucking vampires or radioactive mutations evil children or the living dead This book also gives concise biographies of the many actors and directors who saw their careers for better or worse defined by their association with horror movies and who created a genre that is instantly recognizable in all its forms and continues to find new and ingenious ways of scaring us in the dark
