Hello, Clouds Dalia Hardof Renberg, 1985 A child imagines familiar shapes and exciting adventures in the clouds passing overhead

Four Days Hetty Hemenway, 2019-12-17 In *Four Days* Hetty Hemenway presents a poignant exploration of human relationships encapsulated within a tightly woven narrative that unfolds over the course of four transformative days. The novel's literary style is characterized by its introspective prose and rich evocative imagery reflecting the intricacies of emotional connection amidst modern life's chaos. Set against the backdrop of a small coastal town, Hemenway deftly intertwines elements of realism and lyrical storytelling, allowing readers to engage deeply with the characters' inner lives and the fleeting nature of time. Hetty Hemenway, an accomplished novelist known for her sensitive portrayal of interpersonal dynamics, draws upon her background in psychology and her experiences in various communities to craft this narrative. Her interest in the ephemeral quality of life and the ways in which love shapes our journeys resonate throughout the work. Having explored similar themes in her previous writings, Hemenway invites readers to reflect on the value of moments that often slip by unnoticed. *Four Days* is a must-read for anyone seeking a profound meditation on love, loss, and the significance of connections. Hemenway's ability to articulate the fragility of relationships and the weight of transient moments makes this book a compelling addition to contemporary literature.

The Total Joy of Travelling on Public Transport Phil Lowe, 2019-11-12 Ah, the total joy of travelling on public transport! Do you love travelling with the delightfully varied public and their dubious electronic gadgets and often odious habits? Do you mind when the person behind you has a full-blown argument on their mobile phone with the speaker positioned at extra loud just so you are sure to get both argumentative sides of the mutual yelling? Is it OK for someone to apply their nail polish on a hot bus, thereby nearly choking the other passengers to death with the toxic fumes? Would special mobile confessionals built into modes of public transport ease the congestion of verbal diarrhoea from total strangers? Do you balk at getting up close and personal with the great unwashed? Are you the kind of person that finds the joys of travelling on public transport highly amusing or would you rather just throw yourself under a bus?
