Experiences With The Jesus Prayer And Guidelines For Its Luis S. R. Vas,2002 *Mysteries of the Jesus Prayer*
Norris Chumley,2011-04-05 Norris Chumley traverses a spiritual landscape unfamiliar to most Westerners Take this book and read Even better read this book and accept its invitation to pray Diana Butler Bass author of A People s History of Christianity Norris Chumley presents a lavishly illustrated companion to the PBS documentary Mysteries of the Jesus Prayer Readers can follow Chumley on a pilgrimage through the holiest sites of the early Christian world as he searches for modern day practitioners of the ancient Eastern mystical tradition and its most sacred prayer Lord Jesus Christ Son of God have mercy on me a sinner This beautifully illustrated volume includes black and white and full color images of the author s travels through Eastern Europe including rare pictures from visits to holy sites where photographers are only rarely granted access

Theology and Philosophy in Eastern Orthodoxy Christoph Schneider,2021-01-01 Even in the twenty first century critical and creative engagement with modern and postmodern philosophy is a rarity in Orthodox circles The collection of essays presented here by Christoph Schneider makes a significant contribution to overcoming this deficit Eight scholars from six different countries working on the intersection between Orthodox thought and philosophy present their research in short and accessible form The topics covered range from political philosophy to phenomenology metaphysics philosophy of self logic ethics and philosophy of language The authors do not all promote one particular approach to the relationship between Orthodox theology and philosophy Nevertheless taken together their work demonstrates that Orthodox scholarship is not confined to historical research about the Byzantine era but can contribute to and enrich contemporary intellectual debates

Emotions and Spirituality in Religions and Spiritual Movements Erika Wilson,2012-07-19 Applying recent psychological and neuropsychological studies of emotions Erika Wilson explores the role of emotions in major Eastern Western and primal religions as well as in some contemporary spiritual movements The book tries to answer the following questions What kinds of emotions and spiritual experiences arise in individuals and groups during prayer conversions rituals meditations and other spiritual practices Which positive emotions are valued most in a particular religion or spiritual movement How do these attitudes relate to their respective historical context And finally how does each religious or spiritual teaching recommend handling negative emotions
