

the scope of the journal, the editors solicit reviews, surveys, technical articles and research papers of relevance to the scope of journal, which describe important new concepts, support understanding of the field or provide important insights into the practical application, manufacture and commercialization of biosensors and bioelectronics.

The Journal of Biosensors & Bioelectronics has become a recognized platform for learning, disseminating and exchange of ideas by and for professionals in the field of Biosensors & Bioelectronics research industry. In addition, this journal allows us to move forward in its novel cause of promoting research with a modality which we have been using for over years and with which we are associated with those who know us. It is better to have open access journals in the community! Being open access makes the chances of getting citation of research paper higher than non-open access journals. On the other hand, open access journals are beneficial to the user of under-developed or developing countries, where user cannot pay to read every new article in the field. The continuing success of this journal gives us a sense of pride and achievement. Please contribute articles to this journal in a timely

manner, to ensure it gets published timely and becomes part of this important forum for the exchange of ideas and knowledge which will ultimately translate to better technological exchange of information among peers. If you have any questions or comments about the Journal, please contact the Editor board from Journal of Biosensors & Bioelectronics.

I have based this paper on the materials collected from several courses I've attended. It is inspired by many Guidelines for Authors of various journals of CIMACS International. Some of this information is also featured in various tutorials available online. In addition, I have consulted several web pages like <http://www.jabref.org/>, <http://www.doccar.org/> and <https://scholar.google.co.in/> etc. I want to acknowledge Dr. Divya Kumar, Assistant Professor, CSED, MNIT Allahabad, for his/valuable insight of the things. I would also like to thank Mr. Amit Saxena and Ms. Deepthi Shinghal for their/valuable support, without their help this article would have been impossible to complete.
