**Environmental Blockades** Iain McIntyre, 2021-06-10 Since the 1970s environmental blockades disrupting the exploitation and destruction of forests rivers and other biodiverse places have been one of the most attention grabbing and contentious forms of political action This book explores when where and why environmental blockading and its associated tactics first arose The author explores a broad range of questions including how did tactics and practices first developed and popularised during environmental blockades come to feature regularly in animal rights peace refugee and other campaigns What are blockaders hoping to achieve How have such blockades and tactics shaped government policy the culture of modern politics and popular understandings of ecology colonialism and activism This book offers the first comprehensive history and analysis of environmental blockading in three key countries Australia the United States and Canada As the first places to experience sustained protest cycles which fully established promoted and developed the environmental blockading repertoire as an ongoing strategic option for movements nationally and internationally these campaigns were central in creating a new approach to conservation issues They also played a leading role in making obstructive direct action a regular part of political campaigning as seen in the form of the Extinction Rebellion XR alter globalisation climate justice and other movements This book draws on rigorous archival research including sources ranging from personal diaries campaign minutes and video footage through to police reports and newspaper articles as well as interviews with more than 30 protest leaders and campaigners It will be of great interest to students and scholars in the fields of sociology political science history green criminology and interdisciplinary environmental studies

**What Do We Want?** Clive Hamilton, 2016-11-01 In *What Do We Want* Clive Hamilton explores the colourful enthralling and stirring forms of protest used in the big social movements that defined modern Australia He examines how these movements for equality peace and environmental action have confronted the ugliness in Australian society and caused epoch defining shifts in social attitudes From Charles Perkins to Vida Goldstein Bob Brown to the gay and lesbian 78ers the stories of incredible bravery and rousing leadership will move and inspire

**Adult and Continuing Education in Australia** Mark Tennant, 2025-10-01 Adult education in Australia is a significant part of the post secondary education sector and its importance is coming to be more widely recognized as skills and knowledge need to be updated in a period of rapid social and technological change First published in 1991 *Adult and Continuing Education in Australia* gives a clear picture of the role and purpose of adult education in the Australian society The contributors all practising adult educators in a position to influence development in their field discuss the scope nature and possibilities of a range of adult education activities Focussing on the relationship between adult education and the state they look at the conflict between the providing agencies and the prevailing political and economic climate with its emphasis on the utilitarian outcome of education and closer links with industry and commerce Most of the chapters concentrate on identifiable groups of users such as women migrants rural dwellers and explore several issues and concerns from their

perspective Other chapters focus on providing agencies such as universities technical and further education colleges and delivery systems like distance education The collection as a whole reaffirms the traditional concern of Australian adult educators with unemployment illiteracy migrant education human rights aboriginal education the geographically isolated women and the aged

*Memo for a Saner World* Bob Brown,2012-04-16 Over the years Bob Brown has been assaulted jailed vilified and shot at for his stance on the environment and human rights This is his account of the defining moments in that life of activism from the famous Franklin River blockade to his parliamentary protest against George Bush a few minutes that gave voice to what many Australians felt but had no way of saying By turns inspiring compassionate and outraged this personal story of being green makes the key issues easily understood If you re someone who avoids reading about the world because you think it s too depressing here s the good news it s worse if you don t know While some of the facts Bob presents are less than cheerful his message is powerfully hopeful With Bob Brown and the Greens set to become even more influential in Australian life *Memo for a Saner World* is an essential record of what he stands for

[Activist Life](#) Christine Milne,2017-11-08 An *Activist Life* is the story of an apparently ordinary woman a high school English teacher from northwest Tasmania who became a fiery environmental warrior pitted against some of the most powerful business and political forces in the country In it Christine Milne tells her story through the objects that have symbolic meaning in both her personal and political life from the butter pats in her kitchen that represent her journey from farm girl at Wesley Vale to environmental and human rights activist at the national and global level to the Pride t shirt she wore walking in Mardi Gras next to her son after years of fighting for the legal reform of gay rights in Tasmania She describes how politics actually works the deals the promises kept and broken the horse trading and treachery involved in some of the most controversial and difficult issues of our time including the attempts to forge a workable and effective climate change policy for Australia and Australia s treatment of refugees and asylum seekers This is a fascinating insider s account of what it means to be a woman in politics the sacrifices of family life and relationships the relentless misogyny and sexism that must be endured the gritty conviction that you must never ever give up the pursuit of the greater good It is the story of Australian politics and the fight to save the world and essential reading for anyone who cares about either
