Frank Schoonmakers Encyclopedia Of Wine:

Frank Schoonmaker's Encyclopedia of Wine Frank Schoonmaker,1973 **Frank Schoonmaker's Encyclopedia of Wine** Frank Schoonmaker,1978 *The New Frank Schoonmaker Encyclopedia of Wine* Frank Schoonmaker,1988-01-01 *Frank Schoonmaker's Encyclopedia of Wine* Frank Schoonmaker,1964 The Makers of American Wine Thomas Pinney,2012-05-07 Praise for Thomas Pinney s A History of Wine in America Exhaustively researched invaluable to serious scholars of the grape Fascinating reading San Francisco Chronicle Revealing a sharp eye for detail and a dry low key wit Pinney writes in an engaging style and with remarkable clarity Wine Spectator Definitive an important work of historical literature Wine Spirits An indispensable view of a remarkable time Decanter **The Complete Wine Book** Frank Schoonmaker, Tom Marvel,2013-08 *The New Encyclopedia of Wine* Alexis Bespaloff,1990 **Parker's Wine Buyer's Guide** Robert M. Parker (Jr.), Pierre-Antoine Rovani,2002 Parker s acclaimed guide fully revised with ratings on the latest vintages from around the world is one of the most authoritative wine guides available and now comes with expanded sections on the popular wines of California and Italy **Burgundy** Robert M. Parker,2010-03-02 Burgundy is a fitting monument to the region that is capable of producing in Parker s words the world s most majestic glorious and hedonistic red and white wine With the publication of his classic volumes Bordeaux and The Wines of the Rh ne Valley and Provence together with the several editions of his Wine Buyer s Guide Robert M Parker Jr has emerged as America s most influential and articulate authority on wine Whether he writes of the fabled French ch teaux or of lesser known growers and producers from around the world his books have proved invaluable reading for connoisseurs and neophytes alike for they contain not only hard headed frank analysis but an undisguised and positively contagious enthusiasm for his subject In this book his most ambitious and comprehensive to date Parker offers an extraordinary guide to the growers appellations and wines of Burgundy the viticultural region in eastern France that produces the most exotic sought after expensive and frequently least understood wines in the world Like its predecessors Bordeaux and The Wines of the RhOne Valley and Provence Parker s Burgundy has all the makings of a classic It is a beautifully produced book and it boasts more than thirty specially made color maps with those depicting the individual appellations drawn in such exquisite detail that each and every vineyard is visible Burgundy is a fitting monument to the region that is capable of producing in Parker s words the world s most majestic glorious and hedonistic red and white wine The Emperor of Wine Elin McCoy,2014-03-25 The first book to chronicle the rise of Robert M Parker Jr the world s most influential and controversial wine critic who over the last twenty five years has dominated the international wine world and embodied the triumph of American taste This is the story of how an American lawyer raised on Coca Cola caused a revolution in the way wines around the globe are made sold and talked about To his legions of fans Parker is a cross between Julia Child and Ralph Nader part enthusiastic sensualist and part consumer crusader To his many enemies he is a self appointed wine judge bent on reducing the meaning of wine to a two digit number

The man who now rules the world of wine has been the focus of both adulation and death threats. He rose to his pinnacle of power by means of the traditional American virtues of hard work, determination, and integrity, coupled with an unshakeable ego and a maniacal obsession with a beverage that aspires to a seductive art form: fine wine. Parker's influential bimonthly newsletter, *The Wine Advocate*, with more than 45,000 subscribers across the United States and in more than thirty-seven countries, exerts the single most significant influence on consumers' wine buying habits and trends in America, Europe, and the Far East, and impacts the way wine is being made in every wine-producing country in the world, from France to Australia. Parker has been profiled in countless magazines and newspapers around the world, and most of his dozen books have been best sellers in the United States and abroad. Yet despite the world's attention and unending acclaim, Robert Parker stands at the center of a heated controversy: Is he a passionate lover of wine who more than anyone else is responsible for its vastly improved quality, or is he, as others claim, waging a war against centuries of tradition and in the process killing the soul of wine?

The Emperor of Wine tackles the myriad questions that swirl about Parker and reveals how he became both worshipped and despised, revered as an infallible palate by some and blamed by others for remaking the world's wine industry into a single global market, causing prices to skyrocket and single-handedly reshaping the taste of wine to his own preference. Elin McCoy met Robert Parker in 1981 when she was his first magazine editor, and she has followed his extraordinary rise ever since. In telling Parker's story, McCoy gives readers an unmatched authoritative insider's view of the eccentric personalities, bitter feuds, controversies, passions, payoffs, and secrets of the wine world, explaining how wine reputations are made, how and why wine critics agree and disagree, and tracking the startling ways wines are judged, promoted, made, and sold today. This fascinating portrait of a modern-day cultural colossus shows how a world that once was the province of gentlemen's clubs and the pastime of stuffed shirts turned into a sensual hobby for the middle class, creating a luxury industry bent on making money on a worldwide scale and how one man has revolutionized the way the world thinks about wine.

Wine By Design
Victor W. Geraci, 2020-03-18

From its eighteenth-century beginnings, the Santa Barbara wine industry achieved success by embracing a wine-by-design model. In this process, farmers, winemakers, and entrepreneurs overcome roadblocks like diseases, government policies, and regulations, and environmental concerns by utilizing the latest technological advances, coupled with agribusiness capitalism. As the American demand for premium wine grapes intensified in the late twentieth century, the Northern California wine industry rapidly grew its boutique and innovative local designer winemaking to increase profit, to meet demand, and to compete on a global scale. Set in the context of the regional, national, and global wine community, this story illuminates a regional story of how the Santa Barbara wine industry found solutions to current market conditions while utilizing local traditions to develop a new version of local wine terroir. An accomplishment that allowed them to compete in the global marketplace yet develop highly specialized wine that is unique to the region. By employing leading-edge technology and entrepreneurship, the California Central Coast region of Santa Barbara became a model for the American vision of

agricultural innovation and an integral part of the international wine trade developing a personalized version of local wine terroir

Alexis Lichine's New Encyclopedia of Wines & Spirits Alexis Lichine, 1987 Totally revised and updated this new edition with new maps and more than 7 000 changes in the text tables and other data makes this the most thorough revision since its original publication 36 years ago

Parker's Wine Buyer's Guide Robert M. Parker, 1995 Revised updated and greatly expanded this guide provides complete easy to understand facts opinions and ratings for more than 7 500 wines from all major wine regions With his famous 50 100 point system and entertaining informative tasting notes Parker once again makes the world of wine accessible to everyone Color maps and charts throughout National ads media

The War on Wine Victor W. Geraci, 2023-11-07 The development of an American wine ethos The history of wine is a tale of capitalist production and consumer experience and early Americans embraced the idea of having their own wine culture But many began to believe that excessive alcohol consumption had become a moral ethical economic political social and health conundrum The result was a national on again off again relationship with the concept of an American wine culture Citizens struggled to build a wine culture patterned after their diasporic European custom of wine as a moderating beverage that was part of a healthy diet Yet as America grew untold attempts to create a wine culture failed due to climate pests diseases wars and depressions resulting in some people considering the nation an alcoholic republic Thus began an anti alcohol culture war aimed at restricting or prohibiting alcoholic beverages With the passage of the Eighteenth Amendment Prohibition a culture war started between wet and dry proponents After the repeal of Prohibition the decimated wine industry responded by forming the Wine Institute to rebrand wine s role in American society after which neoprohibitionists attempted to restrict alcohol availability and consumption To confront these aggressive actions the Wine Institute hired politically trained John A De Luca to navigate the new attacks and pushed for rebranding wine as a cultural spirit with health benefits
