Field Next To Love:

The Field Next to Love : Poems Marilyn Gear Pilling,1997 *Orlando in Love* Matteo Maria Boiardo,2004 Like Ariosto's Orlando Furioso and Tasso's Jerusalem Delivered Boiardo's chivalric stories of lords and ladies first entertained the culturally innovative court of Ferrara in the Italian Renaissance Inventive humorous inexhaustible the story recounts Orlando's love stricken pursuit of the fairest of her Sex Angelica in Milton's terms through a fairyland that combines the military valors of Charlemagne's knights and their famous horses with the enchantments of King Arthur's court Today it seems more than ever appropriate to offer a new unabridged edition of Boiardo's Orlando Innamorato the first Renaissance epic about the common customs of and the conflicts between Christian Europe and Islam Having extensively revised his earlier translation for general readers Charles Ross has added headings and helpful summaries to Boiardo's cantos Tenses have been regularized and terms of gender and religion have been updated but not so much as to block the reader's encounter with how Boiardo once viewed the world Charles Stanley Ross has degrees from Harvard College and the University of Chicago and teaches English and comparative literature at Purdue University Neglect of Italian romances robs us of a whole species of pleasure and narrows our very conception of literature It is as if a man left out Homer or Elizabethan drama or the novel For like these the romantic epic of Italy is one of the great trophies of the European genius a genuine kind not to be replaced by any other and illustrated by an extremely copious and brilliant production It is one of the successes the undisputed achievements C S Lewis

Love By Chance Mansi Kashyap,2021-12-13 Jasmeet Sethi lovingly called Jessi is a young and free spirited girl Her life takes a new turn when she moves to Delhi from London Excited by this adventure she adjusts and adapts in her new world hoping to make her place and winning hearts on her way While she is navigating her way through nagging relatives relationship issues and school politics true love knocks her door Is it Samar her biggest crush and summer time buddy Or Akash the school head boy who is captivated by her What is in store for her Love by Chance is Jessi's emotional roller coaster ride of self discovery as she grapples with the meaning of love and life to define her own

They Played for the Love of the Game Frank M. White,2016-02-01 A century before Kirby Puckett led the Minnesota Twins to World Series championships Minnesota was home to countless talented African American baseball players yet few of them are known to fans today During the many decades that Major League Baseball and its affiliates imposed a strict policy of segregation black ballplayers in Minnesota were relegated to a haphazard array of semipro leagues barnstorming clubs and loose organizations of all black teams many of which are lost to history They Played for the Love of the Game recovers that history by sharing stories of African American ballplayers in Minnesota from the 1870s to the 1960s through photos artifacts and spoken histories passed through the generations Author Frank White's own father was one of the top catchers in the Twin Cities in his day a fact that White did not learn until late in life While the stories tell of denial hardship and segregation they are highlighted by athletes who persevered and were united by their love of the sport Love Me Little Love Me Long
